

Welcome to your new TelstraSuper quarterly statement

1 July - 30 September 2018

If you're reading this online or in print, you'll see that your statement has been transformed to make it easier for you to find the information you need.

What's changed and why?

The most important information, such as your account and benefit summary and how your benefit is calculated are now more clearly displayed. Other details about your account will be easy to find. All of the changes are designed to make it simpler for you to understand and connect with your super. Visit our website at telstrasuper.com.au/statements for more information.

Viewing your statement online

Log in to your secure online account from your phone, laptop, tablet or desktop computer to easily access your latest quarterly statement.

You can see your current balance and your balance in 12 months time. You can check past statements, see your transaction history, view your beneficiaries and update your subscription preferences.

If you haven't already, you can register for your TelstraSuper online account at telstrasuper.com.au/register. It's a quick and easy way to manage your super account and membership details online and see your information in 'real time'. If you're receiving your statement via print why not change your subscription preference to email, not only is it quicker but it's better for the environment.

Helping you manage your super

The new style statement is the latest initiative to help you take greater control of your super. Other recent developments include:

- our new website at telstrasuper.com.au which has seen members log in more than 1.5 million times since last year's launch
- personal online accounts with easy navigation to give you 'real time' information so you can easily check your account on any digital device – phone, laptop, tablet or desktop computer
- online forms designed to make it easy to join, refer family members and engage with TelstraSuper.

What do you think?

Let us know what you think of the new look statement. We tested the new statements with a number of our members and we'd also love to hear your feedback and any suggestions you may have. Go to telstrasuper.com.au/statement-feedback

Stay with us

Did you know that if you're retiring, resigning or considering redundancy, you can stay as a TelstraSuper member? We can still be your fund wherever you work or if you retire. It's easy for your new employer to contribute to your account. Visit telstrasuper.com.au/choice

We're here to help

Yours sincerely

Chris Davies
Chief Executive Officer

Your journey, your future, your super

We're here to help

At TelstraSuper we can help you and your family achieve a financially secure future. With more than 25 years' experience and more than \$20 billion invested on behalf of around 95,000 members, we're Australia's largest not-for-profit corporate super fund. Here's what you can do – with our help – to take control of your super and achieve a secure future.

Manage your super online

Through your secure online account you can:

- check your balance, view transactions and statements
- check insurance cover, premiums and update beneficiaries
- view and change investment options
- update your personal details
