c) the member's *accrued retirement benefit*.

12.1.2. If a *former TSS Division 2 member* dies whilst death cover applied to them under the policy, we will pay you a death benefit calculated as at the date of death which is the greater of the amounts calculated according to paragraphs a) and b) below and reduced by the amount calculated according to paragraph c) below :

a) the sum of:

i) the *member's Telstra Top-up Account Balance*, if any; and

ii) the *accrued retirement benefit* that the *member* would have received under clause 8.9.1(d) of the *trust deed* if the *member* retired at the age of 65 years where:

A. the *salary* of the *member* at the date of death or *TPI* will be deemed to continue unchanged until the age of 65 years;

B. for a *former TSS Division 2 member* who is a *Category D Member* on the date of death or *total and permanent invalidity*, the accrual rate is 15.0% for the *member's* entire period of *Division 8 (DB) membership* from 1 November 1997 until the date the *member* would have attained the age of 65 years; and

C. for a *former TSS Division 2 Member* who is a *Category E Member* on the date of death or *total and permanent invalidity*, the accrual rate is 17.5% for the *member's* entire period of *Division 8 (DB) membership* from 1 November 1997 until the date the *member* would have attained the age of 65 years; or

12.2.1. If a *Division 8 member* (who is not a *permanent part-time employee (<15 hours)*) suffers *TPI* while they have *TPI* cover, we will pay you a *TPI* benefit equal to the benefit which would have been payable under condition 12.1.1 or 12.1.2 if the *member* had died on the date on which the *member* ceased to be an *employee* because of *TPI* or any other date agreed between you, the *employer* and us from time to time either generally or in any particular case. Where a *CACCUM member* is aged between 56 and 65, they would

only be entitled to claim a *TPI* amount equal to the difference in the amount under conditions 12.1.1a) and 12.1.1c).

12.3. Part-time employees

12.3.1. If an *insured member* has at any time during their *Division 8 (DB) membership* been a *part-time employee*, then in determining their benefit under conditions 12.1.1, 12.1.2 or 12.2.1, the member's *accrued retirement benefit* is calculated as if the *member* had retired at age 65, but assuming that the Part-time Agreement (as that term is defined in the Special Determination for *part-time employees*) that applied to the *member* at the date of death or *TPI* would have continued unchanged to age 65 and the value of *DM* for the relevant period during *Division 8 (DB) membership* that the *member* was a *part-time employee* will be reduced in accordance with the following formula:

Division 8 (DB) membership (DM) x service fraction

where:

a) $\text{service fraction} = \frac{\text{AH}}{\text{EFTH}}$;

b) "AH" is the number of hours (and any fraction of an hour not forming part of a complete hour) agreed under the Part-time Agreement to be worked by the *member* in each pay period; and

c) "EFTH" is the number of hours (and any fraction of an hour not forming part of a complete hour) which the *Member* would have worked during a pay period if, while a *part-time employee*, the *member* had done the same work but on a full-time basis.

RECITALS

- A. The indefinitely continuing superannuation fund known as the **TELSTRA SUPERANNUATION SCHEME (Fund)** was established by the Australian Telecommunications Corporation by a trust deed dated 13 June 1990. That trust deed, as subsequently amended by amending deeds dated 21 July 1994, 25 May 1995, 1 March 1996, 1 July 1996, 1 July 1997, 15 April 1999, 1 May 2001, 5 June 2001, 29 April 2002, 30 January 2003, 21 April 2004, 1 February 2005, 2 September 2005, 18 December 2006, 29 June 2007, 29 August 2007, 24 June 2008 and 13 March 2009 is referred to in this deed as the "**Trust Deed**".
- B. The 1 March 1996 amending deed changed the name of the Fund from the Telecom Superannuation Scheme to the Telstra Superannuation Scheme.
- C. The Principal Employer (formerly known as Australian and Overseas Telecommunications Corporation Limited) succeeded the Australian Telecommunications Corporation for all purposes in law with effect on 1 February 1992 by reason of the *Australian and Overseas Telecommunications Corporation Act 1991* and, as such, is presently the "Principal Employer" under the Trust Deed.
- D. Part 1.28 of the Trust Deed presently reads as follows:

"1.28.1 Amendments to comply with Relevant Law.

Subject to clause 1.28.3, the Principal Employer and the Trustee may by deed or by oral or written resolution (including in either case a resolution of its Board) amend, add to, revoke or replace all or any of the trusts and provisions of this Deed (including without limitation this part 1.28) in order to comply with any applicable requirement of a Relevant Law.

1.28.2 Other amendments.

Subject to clause 1.28.3, the Principal Employer by deed or by oral or written resolution (including without limitation a resolution of the Board) may amend, add to, revoke or replace all or any of the trusts and provisions of this Deed (including without limitation this part 1.28) as the Principal Employer sees fit but no such amendment, addition, revocation or replacement (collectively called an "amendment") shall -

- (a) in the case of an amendment to which the consent of the Trustee is required under a Relevant Law, be made without the consent of the Trustee; and
- (b) in any case, take effect in respect of a Member or Beneficiary unless -

- (1) the Actuary certifies that that amendment will not reduce the amount of any benefit presently or prospectively payable in respect of the Member or Beneficiary to the extent that that benefit has accrued in respect of the period up to the date the relevant deed is executed or the relevant resolution is made;
- (2) that amendment is approved in writing by the Regulator; or
- (3) that amendment is approved in writing by that Member or Beneficiary,

and, for the avoidance of doubt, it is expressly provided that the trusts and provisions of this Deed may be entirely replaced by amendments made in accordance with this clause 1.28.2.

1.28.3 Restrictions on amendments.

- (a) **Requirements of Supervision Act.** The Supervision Act contains conditions concerning the amendment of the governing rules of superannuation schemes, which must be complied with when making amendments under this part 1.28. In particular, no amendment may be made under this part 1.28 which is prohibited under the Supervision Act.
- (b) **Requirement to consult with Union Council.** Before exercising any Power exercisable by the Principal Employer under clause 1.28.2, the Principal Employer will consult with the Union Council with a view to reaching agreement.
- (c) **Division 5.** In the case of:
 - (1) a Member who is for the time being categorised as a member of division 5 of this Deed; and
 - (2) any other person entitled to claim in respect of that Member,
 (each called a "Protected Person"), no amendment, addition, revocation or replacement may be made under clause 1.28.2 which would:
 - (3) alter adversely a Protected Person's right to claim or receive a benefit, or the manner of calculation of a benefit, under the provisions of division 5 of this Deed in force on the date the member of division 5 was last categorised as a member of division 5;
 - (4) alter clause 5.1.1(c); or
 - (5) increase the obligation of the member of division 5 to contribute to the Fund,
 unless the Trustee consents to that amendment, addition, revocation or replacement.
- (d) **Division 8.** In the case of:
 - (1) a Member who is categorised as a "Former Fund Member" under clause 8.1.2; and
 - (2) any other person entitled to claim in respect of that Member,

(each called a "Protected Person"), no amendment, addition, revocation or replacement may be made under clause 1.28.2 which would:

- (3) increase the obligation of that Member to contribute to the Fund;
or
- (4) be, in the opinion of the Trustee, to the detriment of the Protected Person.

1.28.4 Effective date of amendments.

Any amendment, addition, revocation or replacement made in accordance with this part 1.28 takes effect on the effective date specified in the relevant deed or resolution or, if no date is so specified, the date of that deed or resolution."

- E.** The Principal Employer and the Trustee wish to amend the Trust Deed as a result of the "MySuper" amendments to the Supervision Act, including consolidating division 3 and division 8 (accumulation) into division 6, deleting division 3 and removing redundant provisions within division 8.
- F.** The Principal Employer desires to amend the Trust Deed in the manner provided in this deed and the Actuary appointed for the purpose in accordance with the Trust Deed has certified in respect of the amendments in accordance with clause 1.28.2(b)(1) of the Trust Deed (as evidenced by the certificate annexed to this deed). The Trustee joins in the deed to evidence its consent to any amendment where its consent might be necessary. The Principal Employer is satisfied that the amendments made by this deed are permitted under the Supervision Act and that the requirement concerning consultation with the Union Council has been met.

THIS DEED WITNESSES that -

1. Interpretation

Except to the extent it is given a special meaning in this amending deed, any word or expression which has a particular meaning in the Trust Deed must, when used in this amending deed, be given the same meaning as it has in the Trust Deed.

2. Amendment of Trust Deed

With effect on and from a date or dates to be determined by the Trustee (with the Principal Employer's agreement if the date is other than 1 July 2013), being a date on or after 1 July 2013 (which is referred to as the MySuper Commencement Date in the new provisions of the Trust Deed), the Principal Employer and the Trustee amend the Trust Deed by adding to, revoking and replacing the existing provisions of the Trust Deed to the extent necessary for those provisions to correspond with the new provisions contained in the Appendix to this amending deed.

APPENDIX

This is the Appendix referred to in the amending deed to which this Appendix is annexed and contains the amended Trust Deed governing the Fund. The table of contents contained in this Appendix is for information purposes only and does not comprise part of the Trust Deed.

1.3.3 Period of office.

Subject to clause 1.3.4, a Trustee holds office until the earliest to occur of -

- (a) the Trustee resigning as Trustee by at least 90 days (or any lesser period agreed between the Trustee and the Principal Employer) prior written notice given to the Principal Employer;
- (b) the Trustee resigning as Trustee by written notice given to the Principal Employer because it is no longer permitted to act as Trustee under the Relevant Law;
- (c) the Trustee being removed from office under the Relevant Law; and
- (d) subject to part 1.2, the Trustee being removed from office by the Principal Employer after consulting the Union Council,

and, subject to this part 1.3, the Principal Employer (after consulting the Union Council) shall forthwith appoint another Trustee.

1.3.4 Suspension from office.

During any period when a Trustee is suspended from office under the Relevant Law, the Trustee for the time being shall be the acting Trustee appointed under the Relevant Law in respect of the suspension period.

1.3.5 Compliance with Relevant Law.

The Principal Employer and the Trustee must take all actions necessary to ensure that the Trustee is constituted and governed in compliance with any applicable requirement of a Relevant Law regarding the trusteeship of superannuation funds, including without limitation appropriate action in respect of the memorandum and articles of association or other

constituent or governing document of the Trustee and the appointment and composition of the directors or other governing body of the Trustee.

1.3.6 Minutes.

The Board of the Trustee must keep or cause to be kept proper minutes in relation to matters arising at any meeting of that board or of any committee of directors concerning the office of Trustee. The minutes, if signed by the chairman of that meeting or by the chairman of the following meeting, are prima facie evidence of the matters stated in the minutes.

Part 1.4 Powers of Trustee

1.4.1 Absolute discretions.

Except to the extent otherwise expressly provided in this Deed, the Trustee has in the exercise or non-exercise or partial exercise of each Power exercisable by the Trustee an absolute and uncontrolled discretion and is not bound to give any person a reason for or explanation of the exercise, non-exercise or partial exercise of that Power. The Powers conferred on the Trustee by this Deed are additional to and not in substitution for the Powers exercisable by the Trustee at law.

1.4.2 Powers of Trustee.

Except to the extent expressly provided otherwise elsewhere in this Deed, the Trustee has complete management and control of all proceedings, matters and things in connection with the Fund and may do all acts and things which the Trustee may consider necessary, desirable or expedient for the proper administration, maintenance and preservation of the Fund and in the exercise of the Powers and the performance of the duties of the Trustee, including without limitation the following specific powers, namely -

- (a) **servants, agents and representatives:** without limiting clause 1.10.3(a), to appoint servants, agents and representatives upon conditions determined by the Trustee, including without limitation conditions as to Powers, duties and remuneration from the Fund, and to revoke or vary an appointment;
- (b) **legal proceedings:** to institute, conduct, defend, compound, settle or abandon legal proceedings by or against the Fund or otherwise concerning the Fund or this Deed and also to compound and allow time for payment or satisfaction of a debt due to the Fund and of a claim or demand by or against the Fund;
- (c) **receipts, releases and discharges:** to make and give receipts, releases and other discharges for moneys payable to the Fund and for the claims and demands of the Fund;
- (d) **authorised signatures:** to determine who is entitled to sign documents in connection with the Fund;
- (e) **bank accounts:** to open bank accounts and to make regulations for the operation of bank accounts, including without limitation the signing and endorsing of cheques;
- (f) **acting on advice:** to act on the advice or opinion of a Qualified Adviser (whether or not that advice or opinion is obtained by the Trustee) in relation to any matter or question without being liable in connection with anything done or omitted to be done by the

Trustee or a delegate or representative of the Trustee in good faith based on that advice or opinion;

- (g) **undertakings and indemnities:** to give an undertaking or indemnity in respect of an obligation assumed or undertaken by the Trustee in accordance with this Deed or by a delegate of the Trustee in accordance with the terms and conditions of its appointment;
- (h) **arbitration, conciliation and mediation:** to refer any dispute involving the Trustee or the Fund, or any claim or demand by or against the Trustee or the Fund, to arbitration, conciliation or mediation and observe and perform any award, determination or recommendation of the arbitrator, conciliator or mediator; and
- (i) **administrative flexibility:** to make rules and adopt procedures in relation to the calculation and rounding-off of contributions, benefits, interest and investment earnings, to the payment and deduction of premiums in respect of death and disability benefits, to the determination of periods of time and to any other matters which the Trustee may consider appropriate for the convenient administration of the Fund.

1.4.3 Remuneration of Trustee.

Except as otherwise agreed between the Trustee and the Principal Employer, neither the Trustee nor a director of the Trustee is entitled to commission or remuneration from the Fund in respect of the office of Trustee or director but the Trustee may pay from the Fund reasonable expenses of a director of the Trustee in connection with that office.

1.4.4 Delegation by Trustee.

Except to the extent expressly provided otherwise elsewhere in this Deed, the Trustee as it sees fit may -

- (a) delegate a Power exercisable by the Trustee and a duty of the Trustee to any person in any manner and upon any terms and conditions; and
- (b) vary or revoke a delegation and exercise a Power or perform a duty in conjunction with or to the temporary or permanent exclusion of a delegate.

Part 1.5 Fund Expenses

Subject to clause 1.9.1, any specific provision of any of the subsequent divisions of this Deed, and any contrary agreement between the Trustee and the Principal Employer, Fund Expenses will be paid from the Fund and an Employer will be reimbursed from the Fund in respect of Fund Expenses paid by that Employer.

Part 1.6 Accounting Requirements

1.6.1 Auditor of Fund.

- (a) **Appointment and removal.** The Trustee must appoint an Auditor of the Fund. The Trustee may remove the Auditor and appoint another person as Auditor. Each appointment of Auditor will be on terms determined by the Trustee.
- (b) **Consultation regarding audit.** Without limiting part 1.2, in exercising its Powers under this clause 1.6.1 the Trustee must have regard to any legislative or governmental

requirements imposed on the Principal Employer regarding the audit of the business or affairs of the Principal Employer or of a corporation, scheme or arrangement participated in or maintained by the Principal Employer.

1.6.2 Accounts and audit.

The Trustee must maintain any records and accounts specified in this Deed and may maintain any other records and accounts which the Trustee may consider to be necessary or desirable. The records and accounts of the Fund must be audited by the Auditor annually and at any other intervals determined by the Trustee. The Auditor must certify to the Trustee the result of each audit in writing.

Part 1.7 Secretary of Fund

The Trustee may appoint any person as Secretary to the Fund, or acting or deputy Secretary, on terms determined by the Trustee. The Trustee may remove the Secretary or an acting or deputy Secretary from office and may appoint another person to that office. The Secretary will perform the duties and have the Powers specified in this Deed together with any other duties and Powers determined by the Trustee.

Part 1.8 Information regarding Fund

1.8.1 Confidentiality.

Except to the extent:

- (a) reasonably necessary in the operation, management and administration of the Fund and in properly giving effect to this Deed; or
- (b) required by the Relevant Law,

the Trustee, the Secretary, each Investment Manager and each servant, delegate or representative of the Trustee must treat as confidential all information regarding the Fund, Members, Beneficiaries, Employees and Employers which becomes known to that person in connection with the operation, management and administration of the Fund.

1.8.2 Information from Employers.

An Employer must, as and when requested by the Trustee, give to the Trustee all information in the Employer's possession or under the Employer's control which may be reasonably necessary for the operation, management and administration of the Fund.

1.8.3 Information for Employers.

Except for any matter which is the subject of a binding obligation of confidence imposed on the Trustee, the Trustee must cause to be provided to the Principal Employer as and when requested by the Principal Employer -

- (a) a copy of each set of audited accounts of the Fund together with the accompanying audit report;

- (b) a list of the investments of the Fund and a copy of any agreement with, and instructions affecting, an Investment Manager or a delegate of the Trustee in relation to investments; and
- (c) any other information which an Employer may reasonably require in order to determine and discharge an obligation or liability of the Employer in connection with the Fund or to exercise a Power or perform a duty of the Employer.

Part 1.9 Indemnities and Protections

1.9.1 Indemnification of Trustee and officers.

The Trustee, each director of the Trustee, each former director of the Trustee and each officer and former officer of the Trustee (as designated by the Trustee) is exempted from liability, and is to be indemnified out of the Fund, in respect of any liability (including without limitation any cost, loss, damage or claim) caused or incurred in any manner (including without limitation negligence) in connection with the office of Trustee or director, as the case may be, to the maximum extent (but only to the maximum extent) permissible under the Relevant Law and, without limiting the preceding words, the Trustee may -

- (a) effect or acquire insurance in respect of any potential liability of the Trustee or a director, former director, officer, former officer or employee of the Trustee; and
- (b) pay from the Fund premiums and other outgoings in respect of such insurance.

1.9.2 Trustee's liability limited to Fund assets.

Except to the extent that the Trustee cannot be exempted from personal liability under the Relevant Law, the Trustee is not required to make any payment (in respect of a benefit or otherwise) except out of the Fund or be liable to any greater extent than the moneys and property comprising the Fund.

1.9.3 Action notwithstanding interest.

A person may be the Secretary or an officer, servant or delegate of the Trustee, and may exercise a Power exercisable by virtue of that office or position, notwithstanding that that person is an Employee, a Member or a Beneficiary.

Part 1.10 Investment of Fund

1.10.1 Authorised investments.

Subject to part 1.2 and this part 1.10, the Trustee in the name or under the control of the Trustee may apply the whole or any part of the Fund not immediately required for another purpose under this Deed in any manner or form which the Trustee may consider to be an investment and suitable for the Fund, including without limitation any manner or form in which the Trustee could invest if acting personally and not in a fiduciary capacity but as the sole and absolute legal and beneficial owner of the Fund.

1.10.2 Particular Powers.

Without limiting clause 1.10.1, the Trustee may -

- (a) **various permitted transactions:** investigate, negotiate for, promote, create, acquire, underwrite, sub-underwrite, dispose of, transfer, exchange, collect, realise, alter, convert, improve, exploit, insure, extend, reconstruct, develop, manage and otherwise deal with and turn to account any property anywhere in the world, any direct or indirect interest in property and any right, contract, option or the like in respect of property in any manner, with or without security or liability, and subject to any conditions acceptable to the Trustee;
- (b) **exercise all incidental powers:** exercise all Powers appertaining or incidental to any manner or form of property and discharge from the Fund all costs of and incidental to the Powers of the Trustee under this part 1.10, including without limitation costs of the investigation of and negotiation for property which does not become part of the Fund;
- (c) **futures and hedging:** issue, acquire or participate in and perform any obligations under or in respect of any synthetic investment or transaction (including without limitation a futures contract, hedge contract, swap contract or option contract) whether or not related to any other property forming part of the Fund;
- (d) **borrow:** borrow or raise money;
- (e) **mix funds:** acquire any property either alone or in conjunction with any other person (including without limitation the Trustee acting as trustee or manager of another trust) and mix money or property forming part of the Fund with any other money or property (including without limitation money or property held or administered by the Trustee as trustee or manager of another trust) but so long as at all times separate and distinct records are maintained in order to enable ready identification of the moneys and property attributable to the Fund; and
- (f) **nominees:** cause or allow any property to be acquired and held in the name of the Trustee or of another person acceptable to the Trustee, whether or not that other person acts for the Trustee alone or for the Trustee and another person,

and any reference to property in this clause 1.10.2 is a reference to real and personal property of any nature and whether or not producing income.

1.10.3 Investment Managers.

- (a) **Initial appointment.** The Trustee may appoint an Investment Manager.
- (b) **Powers of Trustee.** The Trustee may -
 - (1) determine and redetermine the terms and conditions under which an Investment Manager acts, including without limitation the Powers and duties of an Investment Manager and its remuneration from the Fund;
 - (2) allocate and re-allocate moneys and assets of the Fund to and between Investment Managers; and
 - (3) revoke the appointment of an Investment Manager,

and, subject to the terms of its appointment (as varied from time to time), in relation to the moneys and assets under its control an Investment Manager has the same Powers as the Trustee has under clause 1.10.1 and clause 1.10.2.

1.10.4 Special investments.

Subject to this part 1.10 and to any conditions imposed by the Trustee either generally or in any particular case -

- (a) **Special portfolios.** The Trustee may establish investment portfolio arrangements within the Fund on such basis and within such parameters as the Trustee considers appropriate (any distinct portfolio of assets or classes of assets established for this purpose is hereinafter called a “**Special Portfolio**”) and may invite a Beneficiary to elect to invest all or part of the Beneficiary’s Aggregate Account Balance in one or more Special Portfolios. Without limiting the generality of the foregoing, a Special Portfolio may take the form of an individual policy of life insurance issued in respect of a particular Beneficiary which provides for the Beneficiary to select among various investment options.
- (b) **Group life options.** The Trustee may establish options in respect of levels of insurance -
 - (1) under a policy securing temporary or term insurance on a group basis; or
 - (2) as provided under clause 1.11.3,
 (each option is hereinafter called a “Group Life Option” and each policy is called a “Group Policy”) and may invite a Beneficiary to elect a particular Group Life Option.
- (c) **Variation of elections.** At any date or dates determined by the Trustee, the Trustee may allow a Beneficiary to revoke or vary any previous Special Portfolio election made by the Beneficiary and to make further elections.

1.10.5 Accounting for Special Portfolios.

Where any part of a Beneficiary’s Aggregate Account Balance is invested in a Special Portfolio as defined in clause 1.10.4, in determining how and to what extent the relative investment performance of that Special Portfolio is allocated to the Beneficiary’s Aggregate Account Balance, the Trustee -

- (a) will have due regard to the extent to which, in the opinion of the Trustee, the Beneficiary’s Aggregate Account Balance is represented by or is attributable to, on the one hand, investments forming part of a Special Portfolio and, on the other hand, investments not forming part of a Special Portfolio; and
- (b) may allocate that investment performance to the Beneficiary’s Aggregate Account Balance on such basis as the Trustee may determine either generally or in any particular case, including without limitation by way of unit price movements or a particular Declared Rate.

1.10.6 Overriding conditions.

- (a) **Maximum limits.** The aggregate amount which may be invested or applied in respect of a Beneficiary in Special Portfolios and Group Life Options must not exceed the Beneficiary’s Aggregate Account Balance.
- (b) **Trustee not bound.** The Trustee is not bound to establish or maintain any Special Portfolios or Group Life Option or, having established such a Special Portfolio or Group Life Option, to make it available to any particular Beneficiary, and the Trustee may vary,

discontinue or dispose of any such arrangement or facility, as it considers the circumstances require.

- (c) **Trustee not liable.** The Trustee is not liable or responsible for or in connection with any cost, loss, expense or detriment suffered by any person as result of the exercise, partial exercise or non-exercise of any Power exercisable by the Trustee under this part 1.10 including without limitation any detriment suffered as a result of the Trustee failing to act on any election by a Beneficiary or any delay by the Trustee in doing so.
- (d) **Apportionment of costs.** The Trustee may apportion the costs of any special investment arrangements established and maintained under this part 1.10 between Beneficiaries' Aggregate Account Balances on such basis as the Trustee determines.

1.10.7 Unitisation.

- (a) **Division into Units.** With effect from the Unitisation Date, the Trustee may for the purpose of allocating the investment earnings of the Fund, if it thinks necessary or desirable, divide any or all of its investment portfolio, including any or all Special Portfolios, into Units and allocate Units to Members' accounts and all other accounts and reserves maintained for the purposes of the Fund.
- (b) **Rules.** The Trustee may adopt rules from time to time in relation to:
 - (1) the pricing of Units;
 - (2) switching between Unit Classes;
 - (3) the method and frequency of valuing the investment portfolio; and
 - (4) any other matter which the Trustee determines to be necessary or appropriate for administering the Fund as a unitised fund.
- (c) **Conversion to Units.** With effect from the Unitisation Date, Members' accounts and, as determined by the Trustee, other amounts and reserves maintained for the purposes of the Fund will be recorded in Units of the relevant Unit Classes. Any amount credited or debited to a relevant account or reserve will be converted into Units of the relevant Unit Classes immediately prior to being credited to the account or reserve, having regard to the relevant Unit Price.
- (d) **Calculation by reference to Unit Price.** With effect from the Unitisation Date, where this Deed refers to the balance, or the amount standing to the credit of an account or reserve maintained for the purposes of the Fund and the relevant account or reserve is unitised, it is taken to be a reference to the account or balance calculated by reference to the number of Units in the account or reserve and the relevant Unit Price (and a reference in this Deed to the crediting or debiting of investment earnings at the Declared Rate (if positive or negative, respectively) shall be a reference to the allocation of the investment earnings of the Fund by a change in the relevant Unit Price).
- (e) **Unit Prices.** The Trustee may determine different Unit Prices to apply to a specific Unit Class for different purposes.
- (f) **Other.** The Trustee may do anything that the Trustee determines is reasonably required to facilitate the orderly and efficient transition of the Fund, or to maintain the Fund, as a unitised fund.

Part 1.11 Insurance Arrangements

1.11.1 Effecting insurance: general powers.

- (a) **Trustee may arrange insurance.** The Trustee may (and must to the extent, if any, specified in this Deed) enter into, arrange or acquire in the name of or under the control of the Trustee insurance or other protection in respect of any property of the Fund, any benefit or other amount which might become payable from the Fund and any other risk or liability of the Fund (including without limitation by way of an insurance policy or a re-insurance or risk-sharing arrangement with any person or fund) subject to any option, right, benefit, condition or provision acceptable to the Trustee.
- (b) **Payment of premiums.** The Trustee may pay out of the Fund all premiums and other outgoings in respect of insurance or other protection and may vary, surrender, terminate, assign or otherwise deal with a relevant policy or other arrangement as the Trustee may think fit.
- (c) **External insurance for Accumulation Members.** In respect of Accumulation Members, to the extent that the Trustee decides that benefits which exceed a relevant Member's Aggregate Account Balance will be made available on death and disability, the Trustee must effect external insurance with an Insurer in respect of those death and disability benefits.

1.11.2 Benefits: restrictions and adjustments.

- (a) **Limitations imposed by Insurer.** Unless otherwise agreed between the Trustee and the Principal Employer, any benefit of the Fund in respect of which the Trustee seeks to effect, or effects, insurance must be reduced to the extent to which -
 - (1) for any reason the Insurer fails to provide insurance on the Insurer's standard terms for standard lives; or
 - (2) for any reason the Insurer -
 - (A) fails to provide or increase insurance;
 - (B) reduces or terminates insurance;
 - (C) limits or restricts insurance or the circumstances in which insurance proceeds will become payable; or
 - (D) refuses to consider, defers or denies a claim in whole or in part.

The Trustee will adjust that benefit, and any other benefit which the Trustee may consider to be affected, in the manner and to the extent the Trustee considers necessary in order to effect and take account of that reduction.

- (b) **Alternative insurance.** If an event provided for in clause 1.11.2(a) occurs in relation to insurance sought or effected, the Trustee is not bound to seek alternative insurance with the same or another Insurer. If the Trustee decides to seek alternative insurance, the Trustee may limit that search to the Insurer or Insurers determined by the Trustee.
- (c) **Conditions of payment of insurance proceeds.** In any case, unless otherwise agreed between the Trustee and the Principal Employer, the amount, time for and basis of payment of all or part of a benefit in respect of which insurance has been effected must

be adjusted in the manner and to the extent necessary to take account of the terms and conditions upon which insurance proceeds are payable.

1.11.3 Benefits: self-insurance.

(a) **Definitions.** In this clause 1.11.3 -

“**Approved Insurer**” means the insurance company agreed between the Trustee and the Principal Employer from time to time either generally or in any particular case or, failing agreement, the Australian Mutual Provident Society.

“**Insurable Component**” means at any particular date in respect of a Member and a benefit provided for in any provision of this Deed the amount agreed between the Trustee and the Principal Employer from time to time, after obtaining the advice of the Actuary, either generally or in any particular case and, in the absence of such agreement, the amount representing the future service component of a Member’s death or disability benefit.

(b) **Reduction of uninsured benefits.** Subject to clause 1.11.3(d) and to any contrary agreement between the Trustee and the Principal Employer, where -

- (1) the Trustee considers that; or
- (2) subject to part 1.2, at the request of the Principal Employer the Approved Insurer advises that,

on the balance of probabilities the Approved Insurer would have taken an action provided for in clause 1.11.2(a)(1) or (2) if the Trustee had sought from time to time during the Member’s membership of any division of this Fund to effect Group Life Insurance with the Approved Insurer on its standard terms for standard lives in respect of the whole of the Insurable Component of any benefit secured or to be secured under any provision of this Deed (having regard to changes in particular Insurable Components, and in the Approved Insurer’s standard terms, from time to time), the amount of any benefit otherwise payable under any provision of this Deed must be reduced to the extent that, in consequence of that action by the Approved Insurer -

- (3) Group Life Insurance would not have been available from the Approved Insurer on its standard terms for standard lives; or
- (4) Group Life Insurance, or the proceeds thereof, would have otherwise been refused, withheld, reduced, terminated, limited or restricted by the Approved Insurer,

either generally or in any particular case, but that benefit must not hereby be reduced below the sum of a Member’s -

- (5) Accrued Retirement Benefit; and
- (6) Aggregate Account Balance, if any, (ignoring in determining the Aggregate Account Balance any insurance proceeds that otherwise would have been credited under (7)); and
- (7) the amount of Group Life Insurance (if any) actually effected and payable in respect of the Member and that benefit under this Deed.

The Trustee will adjust that benefit, and any other benefit which the Trustee may consider to be affected, in the manner and to the extent the Trustee considers necessary in order to effect and take account of that reduction.

- (c) **Advice to Trustee.** In forming an opinion under clause 1.11.3(b)(1), the Trustee may rely on the advice or opinion of the Approved Insurer.
- (d) **Requests by Principal Employer.** Subject to part 1.2, in the case of a request by the Principal Employer for the Approved Insurer to advise under clause 1.11.3(b)(2) -
 - (1) the request will only be made -
 - (A) firstly, after the Principal Employer has consulted the Trustee and the Union Council; and
 - (B) secondly, where the Principal Employer (after obtaining the advice of the Actuary) believes that it is necessary to obtain the formal advice of the Approved Insurer under clause 1.11.3(b) in order to be reasonably satisfied that the mortality or morbidity experience of the Fund (as to rate or cost of claims) is not materially inconsistent with the corresponding experience of superannuation and like schemes which insure their corresponding risks with the Approved Insurer;
 - (2) the request must be in writing and a copy of the request must be given to the Trustee; and
 - (3) notwithstanding anything expressed or implied to the contrary in clause 1.11.3(b), neither the request nor any advice by the Approved Insurer in direct response to that request shall -
 - (A) prejudice any benefit which is or becomes payable from the Fund before the date the request is given to the Approved Insurer (the "Notice Date"); or
 - (B) reduce the amount of any benefit which becomes payable to or in respect of a Member on or after the Notice Date under any provision of this Deed.
- (e) **Information for and fees of Approved Insurer.** The Trustee and each Employer must cause to be provided to the Approved Insurer all information reasonably required by the Approved Insurer in order to make a determination or give advice in accordance with clause 1.11.3(b). The costs and charges of the Approved Insurer in connection with a determination under clause 1.11.3(b) are Fund Expenses.
- (f) **Prudential management of liabilities.** To the extent that the Trustee does not effect insurance in respect of benefits under clause 1.11.1, the Trustee must make appropriate arrangements so that the Trustee can meet liabilities with respect to the Insurable Component of benefits that may from time to time become payable from the Fund ("**Self-Insured Benefits**"). Those arrangements must include (with the advice of the Actuary) the establishment, maintenance and monitoring of a self-insurance reserve that is expected, with proper recognition of the likelihood of the events that would require the payment of Self-Insured Benefits, to be sufficient to cover such Self-Insured Benefits.
- (g) **Quarantine.** The Trustee must ensure that the cost and risk of self-insuring any benefits under this clause 1.11.3 are borne solely by the Employers and Members to whom self-insurance applies in accordance with clause 1.11.3(f) ("**Self-Insured Members**"). The Trustee must also ensure that –

- (1) only the benefits of Self-Insured Members are adjusted under clause 1.21.4(3) in the event of a funding shortfall because the Trustee has decided to self-insure those Fund benefits under this clause 1.11.3; and
- (2) only the Fund assets attributable to the Self-Insured Members and their Employers are used to meet any liabilities the Trustee has with respect to Self-Insured Benefits.

1.11.4 Effect of adjustments.

Any adjusted benefits provided under clause 1.11.2 or 1.11.3 are in lieu of and in full satisfaction of the benefits which would or might have been or become payable but for those clauses.

1.11.5 Additional insurance benefits.

If, as a result of the Trustee having effected insurance under clause 1.11.1:

- (a) an extended cover or a continuation cover amount ("**insured amount**") is paid by the Insurer to the Trustee in respect of a Member; and
- (b) the insured amount is not otherwise included in the calculation of any other benefit that is otherwise payable to or in respect of the Member under any other division of the Fund ("**ordinary benefit**"),

the Trustee may pay the insured amount to or in respect of the Member in addition to the ordinary benefit, whether or not the ordinary benefit has already been paid from the Fund at the time the Trustee receives the insured amount from the Insurer.

Part 1.12 Associated Employers

1.12.1 Agreements with Associated Employer.

The Trustee and the Principal Employer may enter into an agreement with any person approved by the Principal Employer for that person to become an Associated Employer. Subject to any conditions imposed under the relevant agreement or this Deed, Employees of an Associated Employer who become eligible as provided in that agreement or this Deed are eligible to participate in the Fund.

1.12.2 Form and status of agreements.

Any agreement made under clause 1.12.1 may be in any form and subject to any conditions acceptable to the Trustee and the Principal Employer and may be amended or replaced by a subsequent agreement between the parties or in the manner provided in this Deed as if the agreement was a part of this Deed. If there is a conflict between this division 1 and an agreement, this division 1 prevails. Except where the agreement expressly provides otherwise, if there is a conflict between an agreement and any provision of this Deed other than this division 1, the agreement prevails.

Part 1.13 Employer Ceasing Business

1.13.1 Cessation of business.

If -

- (a) where an Employer is or includes a body corporate, a binding resolution is passed or order is made, or any other enforceable action is taken, for the purpose of winding up that body or a scheme of arrangement providing for the dissolution of that body is approved by a court;
- (b) where an Employer is or includes a partnership, that partnership is dissolved;
- (c) where an Employer is or includes a natural person or natural persons, that person or any of those persons becomes bankrupt; or
- (d) an Employer ceases to carry on business for any reason,

the Trustee may enter into an agreement with a person (a “successor”) which in the opinion of the Trustee, wholly or partially succeeds or replaces the Employer for the successor to take the place of the Employer (as Principal Employer or an Associated Employer, as the case may require) under this Deed but, if the Employer concerned is the Principal Employer, the Trustee may agree with an Associated Employer for it to assume the office of Principal Employer and agree with the successor for the successor to become an Associated Employer. An agreement may be in any form acceptable to the Trustee and is binding on all interested persons.

1.13.2 Associated Employer not replaced.

If an event provided for in clause 1.13.1 occurs in relation to an Associated Employer but no agreement is entered into as provided in that clause within 90 days (or any other period determined or allowed by the Trustee) after the date the relevant event occurred, the Trustee is deemed to have received on the last day of that period a notice from the Associated Employer in accordance with clause 1.21.1 that the Associated Employer has decided to terminate all of its payments to and in respect of the Fund with effect on that last day.

1.13.3 Principal Employer not replaced: closure of Fund.

If an event provided for in clause 1.13.1 occurs in relation to the Principal Employer but no agreement is entered into as provided in that clause within 90 days (or any other period determined or allowed by the Trustee) after the date the relevant event occurred, part 1.21 applies as if the Trustee had received on the last day of that period a notice from each Employer in accordance with clause 1.21.1 that the Employer had decided to terminate all of its payments to and in respect of the Fund with effect on that last day.

Part 1.14 New Principal Employer

Without limiting part 1.13, by the execution of an appropriate instrument or instruments in a form acceptable to both the existing Principal Employer and the proposed Principal Employer, the Principal Employer for the time may be replaced as Principal Employer by another person.

Part 1.15
Residual and Surplus Assets

1.15.1 Assets but no Members or Beneficiaries.

If at any time there are no Members or Beneficiaries and, in the opinion of the Trustee, all benefits which could become payable from the Fund have been paid, then (unless otherwise agreed between the Principal Employer and the Trustee) the Fund must be dissolved, any moneys and other assets then remaining in the Fund (after payment of Fund Expenses) must be realised, and the proceeds must be distributed to the Principal Employer.

1.15.2 Surplus assets.

(a) **Definitions.** In this clause 1.15.2 -

“**Total Fund Value**” means the total net market value (as determined by the Actuary) of all of the assets of the Fund as at the date of determination; and

“**Total Accrued Benefit Value**” means -

- (1) 120% of the sum of:
 - (A) the aggregate of the Accrued Retirement Benefits of all Employed Members as at the date of determination; and
 - (B) the aggregate value (as determined by the Actuary) as at the date of determination of all benefits which, as at that date, are payable from the Fund but have not been fully paid or provided from the Fund in accordance with this Deed, including without limitation any preserved or deferred benefit held in the Fund; and
- (2) the aggregate of all Aggregate Account Balances in all divisions of all Members as at the date of determination (but not including amounts already accounted for in clause 1.15.2(a)(1)(B)),

together with any additional amount agreed between the Principal Employer and the Trustee, after obtaining the advice of the Actuary.

(b) **Investigation by Actuary.** Whenever required by the Principal Employer and the Trustee, the Actuary must investigate the Fund and as soon as practicable report to the Principal Employer and the Trustee in writing as to the Total Fund Value and the Total Accrued Benefit Value as at the date at which the investigation is made (the “effective date”). The Trustee and the Principal Employer must make all reasonable efforts to arrange and facilitate an investigation and provide to the Actuary the information reasonably required by the Actuary to complete an investigation.

(c) **Existence of assets.** If a report by the Actuary reveals that the Total Fund Value exceeds the Total Accrued Benefit Value as at the effective date of that report, then -

- (1) unless otherwise agreed between the Trustee and the Principal Employer; and
- (2) subject to the restrictions and conditions in the Relevant Law concerning payments from the Fund to an Employer,

the excess must be paid from the Fund to the Principal Employer as soon as practicable, but if the Actuary further investigates the Fund before payment to the Principal Employer has been completed and advises the Trustee that either -

- (3) the Total Fund Value has changed and is less than the Total Accrued Benefit Value; or
- (4) payment of all or part of a prospective payment pursuant to that request would cause the Total Fund Value to be less than the Total Accrued Benefit Value,

the Trustee must, in the first case, refuse to make any further payment pursuant to the request by the Principal Employer or, in the second case, reduce the amount payable pursuant to that request so that the Total Fund Value does not become less than the Total Accrued Benefit Value.

Part 1.16 Admission of Members

1.16.1 Normal application procedures.

Subject to clause 1.16.2 -

- (a) application to become a Member must be made to the Trustee by an Eligible Person or an Eligible Employee in a form determined or approved by the Trustee and an applicant whose application is accepted by the Trustee becomes a Member on the date of acceptance by the Trustee or, in the case of an Eligible Employee, any earlier or later date agreed between the Trustee and the Principal Employer either generally or in any particular case or, in the case of an Eligible Person, any earlier or later date determined by the Trustee either generally or in any particular case;
- (b) the admission of an Eligible Person as a Member of the Fund shall be subject to any conditions imposed by the Trustee, and the Trustee may subsequently determine to remove or vary any condition so imposed in respect of the Member at the time of his or her admission to membership;
- (c) the admission of an Eligible Employee as a Member of the Fund shall be subject to any conditions imposed by the Principal Employer, and the Trustee and the Principal Employer may subsequently agree to remove or vary any condition so imposed in respect of the Member at the time of his or her admission to membership; and
- (d) if an Eligible Employee refuses or otherwise fails to become a Member when first eligible to do so, that Eligible Employee may subsequently only apply to become a Member with the consent of the Principal Employer and subject to any conditions imposed by the Trustee.

1.16.2 Deemed admission.

Subject to any conditions imposed by the Principal Employer or the Trustee and without limiting any following provision of this part 1.16, the Principal Employer, after consulting the Trustee, may determine that an Eligible Employee who has not applied for membership is deemed to become a Member on a date determined by the Principal Employer and notified to the Trustee but -

- (a) a person so deemed to be a Member is not required to contribute to the Fund without that person's express consent; and

- (b) without limiting part 1.2, a person shall not be retrospectively deemed to be a Member under this clause 1.16.2 where to do so would cause the Trustee to be in breach of a requirement of a Relevant Law concerning timely communications with a new Member.

1.16.3 Member rejoining Fund.

If, having previously ceased to be an Employee, a person again becomes an Employee, then unless otherwise agreed between the Trustee and the Principal Employer either generally or in any particular case -

- (a) during and in respect of the period after the date of again becoming an Employee that person must be treated for all intents and purposes under this Deed as if that person had never previously been an Employee of the Employer or a Member of the Fund; but
- (b) if that person is already a Member by reason of an existing benefit secured under this Deed (including without limitation a deferred benefit under division 4 or preserved benefit or any other benefit which has not yet been paid or transferred from the Fund), then the benefits secured for and in respect of that person after the date he or she again becomes an Employee may be adjusted by the Trustee in the manner and to the extent it considers appropriate to take account of that existing benefit, except that no such adjustment shall increase the costs or liabilities of an Employer without that Employer's consent.

1.16.4 Categories of Members.

- (a) **Categorisation by Principal Employer.** Subject to clause 1.16.4(c), by a written notice given to the Trustee, the Principal Employer may, subject to any conditions specified in the notice -
 - (1) establish a category of Members and define the terms and conditions governing -
 - (A) entry to and exit from that category;
 - (B) the contributions to be payable to the Fund and the benefits to be provided from the Fund for and in respect of a Member during and in respect of any period when the Member is classified in that category; and
 - (C) the division, or divisions, of the Fund which is applicable to that category from time to time,
 and
 - (2) amend, revoke or replace any such notice previously given by the Principal Employer either generally or in any particular case,

and a Member shall be classified in a category established under this clause 1.16.4 during any period of membership of the Fund when the Member is classified in that category by a notice given to the Trustee by the Principal Employer or falls within a group or class of Members defined in respect of that category in a notice given to the Trustee by the Principal Employer.

- (b) **Effect of categorisation.** Subject to clause 1.16.4(c), a notice given by the Principal Employer under clause 1.16.4(a) is binding on all interested persons without the need to amend this Deed, and the rights, interests and obligations of a Member (and of any other person otherwise entitled to claim in respect of a Member or on the occurrence of

an event or circumstance affecting the Member) shall be adjusted in the manner and to the extent necessary in taking account of such a notice.

- (c) **Restrictions on categorisation.** Unless otherwise agreed between the Trustee and the Principal Employer either generally or in any particular case, a Member may not be retrospectively classified into or out of a category established under this clause 1.16.4 and neither -
- (1) a notice given by the Principal Employer to the Trustee under clause 1.16.4(a); nor
 - (2) the classification or reclassification of a Member into or out of a category of Members pursuant to such a notice,

shall adversely affect the rights of a Member to accrued benefits under the Fund as at the date that notice is received by the Trustee or the date of that classification or reclassification, as the case may be, including without limitation -

- (3) in the case of a benefit calculated on the basis of contributions to the Fund and earnings on those contributions, the amount of the benefit which has accrued, or become payable, to the Member before the relevant date; or
- (4) in the case of a benefit other than a benefit referred to in (3) above, the amount of the benefit which is, or may become, payable to the Member to the extent that that benefit has accrued in relation to a period before the relevant date.

1.16.5 Effect of conditions and consents.

Any -

- (a) condition properly imposed under this Deed in respect of a Member or Beneficiary;
- (b) consent, approval or agreement given or made by a Member or Beneficiary; and
- (c) act of the Trustee or an Employer pursuant to or as a consequence of that condition, consent, approval or agreement,

is binding on the Member or Beneficiary concerned and any other person who is an heir, executor or assign of the Member or Beneficiary or is or would otherwise have been entitled to claim a benefit in respect of the Member or Beneficiary or upon the occurrence of an event or circumstance affecting the Member or Beneficiary, and this Deed takes effect accordingly.

1.16.6 Deed binding.

Each Member is bound by this Deed.

1.16.7 Transfers between Employers.

- (a) A Member does not cease to be a Member or an Employee by reason of ceasing to be an Employee of one Employer ("**previous Employer**") and immediately becoming an Employee of another Employer ("**new Employer**") unless the new Employer is an Employer notified to the Trustee by the Principal Employer pursuant to this clause 1.16.7 either generally or in a particular case.
- (b) If the change of Employer referred to in clause 1.16.7(a) results in the Member not ceasing to be an Employee and in the new Employer's contributions being made in

respect of the Member to a division of the Fund (“**new division**”) which is different from the division into which the previous Employer made contributions (“**previous division**”), an amount as determined by the Trustee and the Principal Employer will be transferred in respect of the Member from the previous division to the new division.

1.16.8 Categorisation of Members

The divisions of the Fund other than division 1 relate to and provide for groups of Members. Subject to the express provisions of a division concerning the categorisation or re-categorisation of a Member -

- (a) a Member who was a Member of the Fund on 30 June 1996 will be initially categorised as a member of division 2 effective 1 July 1996;
- (b) before the MySuper Commencement Date, a Member who was a member of the Telstra Productivity Superannuation Scheme on 30 June 1996 but was not a Member of the Fund on 30 June 1996 will be initially categorised as a member of division 3 effective 1 July 1996;
- (c) before the MySuper Commencement Date, a Member who is advised to the Trustee by the Principal Employer as being a Casual Employee of the Principal Employer will be initially categorised as a member of division 3 effective on the date advised to the Trustee by the Principal Employer, and on and from the MySuper Commencement Date, a Member who is advised to the Trustee by the Principal Employer as being a Casual Employee will be initially categorised as a member of division 6 effective on the date advised to the Trustee by the Principal Employer;
- (d) a Member who was a member of the Telstra Superannuation Scheme No. 1 on 30 June 1997 but was not a Member of the Fund on 30 June 1997 will be initially categorised as a member of division 5 effective 1 July 1997;
- (e) subject to clause 1.16.8(c), a Member who, on or after 1 July 1999, is advised to the Trustee by the Principal Employer as being a Member who is to receive accumulation benefits will be initially categorised as a member of division 6 effective on the date advised to the Trustee by the Principal Employer;
- (f) a Member who was a member of the Pacific Access Superannuation Fund on 30 June 2001 but was not a Member of the Fund on 30 June 2001 will be initially categorised as a member of division 8 effective 1 July 2001, and between 1 July 2001 and the MySuper Commencement Date (both inclusive) a Member who is advised to the Trustee by the Employer as being a Member who is employed by a Division 8 Employer will be initially categorised as a member of division 8 effective on the date advised to the Trustee by the Employer, and on and from the MySuper Commencement Date, a Member who is advised to the Trustee by the Employer as being a Member who is employed by a Division 8 Employer will be initially categorised as a member of division 6 effective on the date advised to the Trustee by the Employer,

and, notwithstanding this clause 1.16.8, a Member may be categorised by the Principal Employer in any division pursuant to clause 1.16.4.

Part 1.17
Information from and for Applicants and Members

1.17.1 Provision of information by applicants and Members.

- (a) Each Eligible Employee and Eligible Person must provide all information and evidence, sign all documents, undergo all medical examinations and tests, and generally satisfy all standards and requirements as and when the Trustee or (if applicable) the Principal Employer may reasonably consider necessary or desirable.
- (b) Each Member must provide all information and evidence, sign all documents, undergo all medical examinations and tests, and generally satisfy all standards and requirements as and when the Trustee may reasonably consider necessary or desirable.

1.17.2 Action on non-compliance.

Without limiting clause 1.16.1, if -

- (a) an Eligible Employee fails to comply with clause 1.17.1(a) or to satisfy a test, standard or requirement laid down under that clause to the satisfaction of the Trustee or the Principal Employer, as the case may be;
- (b) a Member fails to comply with clause 1.17.1(b) or to satisfy a test, standard or requirement laid down under that clause to the satisfaction of the Trustee; or
- (c) a statement made or evidence provided by or in respect of an Eligible Employee or a Member is found to contain a misstatement, error, mistake, inaccuracy or suppression,

the Trustee, after obtaining the advice of the Actuary, may -

- (1) in the case of an Eligible Employee, admit that person as a Member subject to conditions determined or approved by the Trustee or refuse to admit that person as a Member; or
- (2) in the case of a Member, impose conditions.

1.17.3 Information regarding benefit reductions.

The Trustee will ensure that a Member is notified to the Trustee's satisfaction after any detrimental adjustment is made under this Deed in respect of a benefit which is or might become payable to the Member or upon the death of the Member.

1.17.4 Other information.

In addition to providing all information required in order to satisfy any applicable requirement of the Relevant Law, as required under part 1.2, the Trustee may provide to Members and Beneficiaries any other information which the Trustee may consider to be necessary or appropriate.

1.17.5 Copies of Deed.

A copy of this Deed is to be kept at the principal office of the Trustee and at any other place specified by the Trustee. Without limiting a Member's rights in respect of this Deed under the Relevant Law, a Member may inspect a copy of this Deed during normal business hours upon reasonable notice and the Trustee may make a charge for the provision of a copy of this Deed to any person.

Part 1.18
Special Arrangements and Situations

1.18.1 Individual agreements.

Subject to clause 1.18.5 -

- (a) the Principal Employer may agree with an Employee that the Employee is admitted to membership of the Fund subject to the conditions contained in that agreement, and the Principal Employer may also agree with a Member to vary the conditions of a Member's membership of the Fund;
- (b) an agreement under clause 1.18.1(a) must be evidenced in writing (in one or more documents) by the Principal Employer and the Employee or Member concerned in a form acceptable to the Principal Employer, and may be varied, replaced or revoked by a subsequent written agreement between the Principal Employer and the Employee or Member concerned or in the manner provided for in this Deed as if the agreement was actually part of this Deed;
- (c) if there is a conflict between an agreement under clause 1.18.1(a) (as varied or replaced from time to time) and this division 1, this division 1 prevails but (except where the agreement expressly provides otherwise), if there is a conflict between the agreement and any provision of this Deed other than this division 1, the agreement prevails;
- (d) the Principal Employer must provide a copy of each agreement (and any document which varies, replaces or revokes that agreement) to the Trustee; and
- (e) the Trustee must give effect to each agreement, as varied, replaced or revoked from time to time.

1.18.2 Augmentation of benefits.

Subject to clause 1.18.5 -

- (a) the Principal Employer may direct the Trustee to provide from the Fund a benefit or other amount greater than would be provided but for that direction;
- (b) the Principal Employer may revoke or vary a direction given under clause 1.18.2(a); and
- (c) the Trustee must give effect to each direction, as varied or rescinded from time to time.

1.18.3 Part-time employment, absence or non-eligibility.

Subject to clause 1.18.5 -

- (a) the Principal Employer, after consulting the Union Council, may determine conditions in relation to contributions payable and benefits to be provided in respect of a Member during and in respect of any period when, in the opinion of the Principal Employer, the Member is employed by the Employer in other than a full-time capacity, the Member is absent from active employment with the Employer (whether with or without pay or the approval of the Employer) or the Member remains in the employ of the Employer but no longer satisfies the criteria for classification as an Eligible Employee;
- (b) the Principal Employer must give the Trustee written notice of each determination under this clause 1.18.3, which is binding on all interested persons without the need to formally

amend this Deed and which may be varied, revoked or replaced by subsequent notice given by the Principal Employer to the Trustee; and

- (c) unless otherwise agreed between the Trustee and the Principal Employer, any determination by the Principal Employer under this clause 1.18.3 takes effect on the later of the date notice of that determination is received by the Trustee and the effective date (if any) specified in the notice.

1.18.4 Employed Members: Casual Employees.

- (a) In the case of a Casual Employee who is not a “Former Fund Member” under clause 8.1.2 -
 - (1) that person is an Employed Member for the purposes of this Deed during the whole of each Employed Pay Period and also during the whole of each Pay Period which is not an Employed Pay Period but which occurs within the period (the “relevant period”) of six consecutive Pay Periods immediately following an Employed Pay Period; and
 - (2) that person ceases to be an Employed Member for the purposes of this Deed as at the earliest of -
 - (A) if no Employed Pay Period occurs in respect of the Member within the relevant period, the end of the sixth consecutive Pay Period immediately following the last Employed Pay Period;
 - (B) the date upon which a benefit becomes payable from the Fund to or in respect of the Member; and
 - (C) any earlier date accepted by the Trustee, after receiving from or in respect of the Member an application or request in a form acceptable to the Trustee together with any information or evidence which the Trustee may consider appropriate; and
 - (3) the Trustee is not required to, but may if it so determines, offer insurance cover.
- (b) In the case of a Casual Employee who is a “Former Fund Member” under clause 8.1.2, that person is an Employed Member for the purposes of this Deed until the Employer notifies the Trustee that the person ceases to be an Employed Member for the purposes of this Deed.

1.18.5 Control by Trustee.

- (a) **Restrictions under Relevant Law.** Without limiting part 1.2, to the extent that -
 - (1) an agreement under clause 1.18.1;
 - (2) a direction by the Principal Employer under clause 1.18.2; or
 - (3) a determination by the Principal Employer under clause 1.18.3; or
 - (4) a determination by an Employer, under a Power vested in it under any other provision of this Deed, to otherwise increase the amount of any benefit or other amount to be paid or provided from the Fund (including without limitation a determination to increase any period of time which is to be taken into account in

calculating a benefit) or to reduce, suspend or waive any contributions which would otherwise be payable to the Fund by any person other than an Employer,

constitutes the exercise of a discretion or the giving of a direction which is otherwise prohibited under the Relevant Law, that agreement, direction or determination shall only take effect with the consent of the Trustee.

- (b) **Other controls by Trustee.** Without limiting clause 1.18.5(a), if in the opinion of the Trustee, after obtaining the advice of the Actuary, such an agreement, direction or determination would cause a deficiency in the Fund, before giving effect to that agreement, direction or determination or in the course of doing so, the Trustee may require an undertaking from an Employer that it will contribute to the Fund additional amounts or rates of contributions which the Trustee, after obtaining the advice of the Actuary, may consider necessary in order to avoid a deficiency and, if an undertaking is not given or is not fulfilled to the satisfaction of the Trustee, the Trustee may refuse to give effect to or to continue to give effect to the agreement, direction or determination to which the undertaking relates.

1.18.6 Temporary cessation of employment.

If a Member ceases to be an Employee in circumstances in which it is reasonable to expect that cessation will only be of a temporary nature and that the Member will soon again become an Employee, the Member's membership of the Fund may continue subject to conditions agreed between the Trustee, the Member and the Employer.

1.18.7 Other schemes.

- (a) **Category of Members.** For the purposes of this clause 1.18.7, there shall be a category of Members known as "Corresponding Benefit Members" and a Member shall be classified as a Corresponding Benefit Member during any period determined by the Principal Employer and notified to the Trustee in a form reasonably acceptable to the Trustee, except that a Member may not be retrospectively classified as a Corresponding Benefit Member without the consent of the Trustee.
- (b) **Effect of classification as Corresponding Benefit Member.** If a benefit (a "Corresponding Benefit") is provided for or secured, or could reasonably be expected to become payable, in respect of a Corresponding Benefit Member under another scheme or arrangement any part of the costs of which are borne directly or indirectly by an Employer or any governmental authority on retirement, death or disablement or in any other circumstances similar to those in which a benefit may be provided under this Deed, then (subject to part 1.2) -
- (1) the contributions which an Employer would otherwise be required or permitted to make shall be reduced to such extent as the Principal Employer may determine to be appropriate in taking account of the Corresponding Benefit; and
 - (2) any benefit otherwise payable from the Fund to or in respect of the Member must (unless otherwise agreed between the Trustee and the Principal Employer) be reduced by the amount of any Corresponding Benefit but, to the extent that a Corresponding Benefit is provided in a different manner or form to an applicable benefit under this Deed, the manner and the extent of any such adjustment shall be determined by the Trustee, after obtaining the advice of the Actuary.

Any reduction or adjustment in contributions or benefits under this clause 1.18.7 is binding on all interested persons without the need to amend this Deed.

1.18.8 Taxation.

The Trustee may take any actions which the Trustee may consider appropriate in taking account of any Tax, including without limitation -

- (a) reducing or otherwise adjusting the amount of any benefit payable from the Fund; and
- (b) establishing reserves and making provisions in the accounts of the Fund and payments from the Fund to relevant governmental authorities.

1.18.9 Payment of benefits subject to division 4.

Wherever a provision of this Deed refers to a benefit being payable to or in respect of a Member as a result of a particular event or circumstance, the Trustee will not pay the benefit to or in respect of the Member at that time if an election has been made by or in respect of the Member to defer payment of the benefit by transferring the benefit to division 4.

1.18.10 Return of contributions.

If the Trustee receives contributions made by or in respect of a Member in a manner which is inconsistent with the Relevant Law, and the Trustee returns the contributions, the Trustee may:

- (a) return an amount lesser than the contributions received by the Trustee, or
- (b) return an amount greater than the contributions received by the Trustee,

in accordance with the Relevant Law.

Part 1.19 Member Contributions

1.19.1 Amount to be contributed.

Subject to this division 1, the amount of a Member's contributions to the Fund at any particular time must be determined in accordance with the relevant division of the Fund.

1.19.2 Manner and timing of payment.

- (a) **Deduction from remuneration.** Unless the Principal Employer (with the consent of the Trustee) determines otherwise or the law does not so allow, the contributions (if any) payable by a Member must be deducted by the Member's Employer from each payment of or on account of the Member's remuneration from that Employer, and must be paid by the Employer to the Fund in the manner and at the times reasonably determined or approved by the Trustee. Amounts so deducted by an Employer in respect of a Member must, pending payment to the Fund, be held upon trust by the Employer for the benefit of the Fund.
- (b) **Contributions not deducted.** In any other case, the Member must pay the Member's contributions to the Fund as and when determined by the Trustee.
- (c) **Cessation of Member contributions.** Except for a member of division 4, no contributions are payable by a Member after the date the Member ceases to be an Employee.

1.19.3 Adjustments for non-payment of Member contributions.

Without limiting clause 1.19.4 or clause 1.19.5, if the contributions payable by a Member are not paid to the Fund as and when required, the Trustee may impose any conditions in respect of the Member which the Trustee, after obtaining the advice of the Actuary, may consider appropriate.

1.19.4 Reduction, suspension or waiver.

- (a) **Decision by Principal Employer.** Subject to clause 1.18.5, clause 1.19.5 and any conditions determined by the Principal Employer and approved by the Trustee and the Member concerned (including without limitation conditions upon which contributions otherwise payable by the Member and interest must be made up by and in respect of the Member and conditions as to how benefits to be provided in respect of the Member must be adjusted to take account of a reduction, suspension or waiver), the Principal Employer may for any period determined by the Principal Employer reduce, suspend or waive contributions otherwise payable by the Member.
- (b) **Deemed payment.** Without limiting clause 1.18.5, clause 1.19.4(a) and clause 1.19.5, the Principal Employer may determine that contributions which would have been paid by a Member but for the exercise of a discretion as provided in that clause will be deemed to have been paid by the Member for the purpose of calculating the amount of or determining the eligibility for payment of any benefit payable pursuant to this Deed the amount of or eligibility for which depends on the amount of the contributions paid by the Member or the period during which the Member has contributed.
- (c) **Notification to Trustee.** The Principal Employer must notify the Trustee of any determination under clause 1.19.4(a) or clause 1.19.4(b) as soon as practicable.

1.19.5 Deemed Member contributions.

- (a) **Category of Members.** For the purposes of this clause 1.19.5, there shall be a category of Members known as “Deemed Contribution Members” and a Member shall be classified as a Deemed Contribution Member during any part of the period while he or she is an Employed Member as shall be determined by the Employer (with the approval of the Principal Employer, where it is not the Employer) and notified to the Trustee from time to time in a form reasonably acceptable to the Trustee, except that a Member may not be retrospectively classified as a Deemed Contribution Member, or retrospectively reclassified as no longer being a Deemed Contribution Member, without the consent of the Trustee.
- (b) **Effect of classification as Deemed Contribution Member.** Subject to clause 1.18.5(b), during any period when a Member is classified as a Deemed Contribution Member, all of the contributions otherwise payable by the Member shall be waived but shall be deemed to have been paid by the Member for the purpose of determining the amount of or eligibility for a benefit the amount of or eligibility for which depends on the amount of contributions paid by the Member or the period for which the Member has contributed.

Part 1.20 Employer Contributions

1.20.1 Amount to be contributed.

Subject to this part 1.20 and part 1.21, each Employer must contribute to the Fund in respect of a particular Employee at any particular time the amount or rate of contributions determined by the Principal Employer from time to time in accordance with the relevant division after obtaining the advice of the Actuary and consulting the Trustee. As soon as practicable, the Principal Employer must notify the Trustee of each determination in respect of an Employer under this clause 1.20.1.

1.20.2 Manner and timing of payment.

The contributions payable by an Employer must be paid to the Fund in the manner and at the times reasonably determined or approved by the Trustee. Contributions payable by one Employer may be paid by another Employer.

1.20.3 Cessation of payment.

Unless otherwise specified in this Deed or agreed between the Employer and the Trustee, no contributions are payable by an Employer in respect of a Member after the date the Member ceases to be an Employee.

1.20.4 Additional contributions.

In addition to any contributions provided for elsewhere in this Deed, with the approval of the Trustee an Employer may contribute further amounts in respect of particular Members or groups of Members, and any additional contributions in respect of a Member under this clause 1.20.4 must be applied by the Trustee on the basis determined by the Principal Employer (subject to part 1.2) and advised to the Trustee.

Part 1.21 Termination, Non-payment or Inadequacy of Employer Payments

1.21.1 Notice by Employer.

(a) Subject to part 1.2 and clause 1.21.3 but without limiting any Power vested in the Principal Employer or any other Employer under any other provision of this Deed to terminate, determine or redetermine the amount or rate of Employer contributions, an Employer may by written notice given to the Trustee and either generally or in respect of any person or persons named or described in that notice (or then or thereafter falling within a group or class of persons described in that notice) -

- (1) terminate all or any of its payments in respect of the Fund; or
- (2) reduce or suspend all or any of its payments in respect of the Fund to the extent specified in that notice and either indefinitely or for the period specified,

and any notice given by an Employer under this clause 1.21.1 takes effect on the date which is the later of the date that notice is received by the Trustee and the effective date (if any) specified in that notice, but a notice does not affect the Employer's liability in respect of payments due from the Employer before the notice takes effect.

- (b) Any notice given by or on behalf of an Employer under clause 1.21.1(a) may take effect with respect to:
- (1) a “Former Fund Member” who is a “Category CACCUM Member” under clause 8.1.2, no earlier than the expiration of one month from the date the notice is received by the Trustee; and
 - (2) a Member who was a member of the Telstra Productivity Superannuation Scheme on 30 June 1996, no earlier than the expiration of 90 days from the date that the notice is received by the Trustee.

1.21.2 Notice by Principal Employer for Associated Employer.

Subject to part 1.2 and clause 1.21.3, the Principal Employer may give a notice to the Trustee in terms of clause 1.21.1 on behalf of an Associated Employer. The notice is deemed to have been given by the Associated Employer in terms of clause 1.21.1 (whether or not endorsed or confirmed by the Associated Employer) and may not be revoked or varied without the approval of the Principal Employer.

1.21.3 Requirement to consult.

Before exercising any Power exercisable by the Principal Employer under clause 1.21.1 or clause 1.21.2, the Principal Employer will consult with the Union Council with a view to reaching agreement.

1.21.4 Non-payment or inadequacy of Employer payments.

If -

- (a) an Employer has given or is deemed to have given a notice pursuant to clause 1.21.1;
- (b) an Employer fails for any reason to pay an amount to the Fund as and when required under this Deed; or
- (c) having been requested by the Trustee to investigate the Fund and after consulting the Principal Employer, the Actuary advises the Trustee that, having regard to the payments being made and expected to be made to the Fund and the actual and expected assets of the Fund, in the opinion of the Actuary the Fund is inadequate to provide for the actual and expected liabilities of the Fund and that the Trustee should take action under this clause 1.21.4,

then -

- (1) in the case of a notice of termination of payments, unless otherwise agreed between the Trustee and the Principal Employer either generally or in any particular case, no contributions will be accepted from a Member, and no person will be admitted as a Member, during or in respect of any period when an Employer’s payments are or would be terminated in respect of that person pursuant to that notice;
- (2) in any other case, the Trustee may refuse to accept contributions from a Member, and refuse to admit a person as a Member, during or in respect of any period when this clause 1.21.4 applies in respect of the Employer of that person; and
- (3) in any case, the Trustee, after obtaining the advice of the Actuary and subject to clause 1.21.6, may adjust any benefit which is or may become payable to or in respect of any person whom the Trustee may consider is affected by that termination, failure or

inadequacy to the extent and in the manner the Trustee considers appropriate and equitable.

1.21.5 Revocation of notice or remedy of failure or inadequacy.

Subject to any conditions imposed by the Trustee, part 1.2 and clause 1.21.6, an Employer may -

- (a) revoke or vary a notice given or deemed to have been given by that Employer pursuant to clause 1.21.1; or
- (b) remedy a failure or inadequacy which has occurred or arisen in terms of clause 1.21.4,

and, in that event, the Trustee (after obtaining the advice of the Actuary) may adjust the rights and obligations of the persons who, in the opinion of the Trustee, are affected by the revocation, variation or remedy to the extent and in the manner determined by the Trustee.

1.21.6 Adjustment procedures and limits.

An adjusted benefit provided in respect of a person under this part 1.21 may be provided in any manner or form, by way of any arrangements and subject to any conditions determined by the Trustee either generally or in any particular case, and is in lieu of and in full satisfaction of any benefit which would or might have been or become payable from the Fund but for this part 1.21. Unless otherwise agreed between the Trustee and the Principal Employer, an adjustment made pursuant to clause 1.21.4(3) or clause 1.21.5 must not increase the amount of any benefit which, in the opinion of the Trustee after obtaining the advice of the Actuary, has accrued in respect of a person immediately prior to the effective date of that adjustment in respect of the period up to that date or improve the basis upon which benefits accrue during or in respect of any period after that date.

Part 1.22

General Conditions of Payment of Benefits

1.22.1 Normal amount and circumstances of payment.

Subject to this division 1, the amount and circumstances of payment of benefits in respect of a Member at any particular time must be determined in accordance with the relevant division of this Deed.

1.22.2 Payment of benefits.

- (a) **Manner and place of payment.** A benefit payable from the Fund is payable at the place and in the manner (including without limitation payment in specie or in kind, payment by electronic means or by way of instalments) determined by the Trustee and, without limiting clause 1.22.5, a person to whom a benefit is payable (whether in that person's own right or for and on behalf of another person) must upon request by the Trustee provide all information and do all acts and things which the Trustee may consider necessary or desirable in effecting payment. The receipt of a Member or Beneficiary for an amount payable to that person is a complete discharge to the Trustee in respect of that amount and the Trustee is not bound to see to the application of that amount.

(b) **Interest on benefits.**

The Trustee will determine the relevant Declared Rate for the purposes of the whole or any particular provision of this Deed except that the Principal Employer and the Trustee may agree to the Trustee adding interest to all or part of the following benefits:

- (1) any division 2 benefit, other than any relevant Voluntary Account Balance;
- (2) any division 5 benefit, other than any relevant Defined Benefit Member Account Balance, Productivity Accumulation Account Balance, Voluntary Account Balance and Special Accumulation Account Balance; and
- (3) any division 8 benefit, other than any relevant Additional Account Balance, Bridging Account Balance, Defined Benefit Member Account Balance, Member's Account Balance, Productivity Account Balance, Telstra Top-up Account Balance and Voluntary Account Balance,

at the rate agreed between the Principal Employer and the Trustee for all or part of the period between the date the benefit becomes payable out of the Fund to the date it is paid.

1.22.3 Standard of proofs.

Whenever it is necessary under this Deed for the Trustee, an Employer or other person to decide questions of fact, that person may act upon any proofs or presumptions which that person may consider satisfactory, whether or not they are strictly legal proofs or legal presumptions.

1.22.4 No personal claim.

No person is entitled to require a payment from the Fund except in accordance with this Deed.

1.22.5 Proof of qualification for benefits.

- (a) **Claims and information.** Without limiting part 1.2 or clause 1.23.3, a person's entitlement to a benefit from the Fund is contingent upon -
- (1) the Trustee or an Employer being notified of that person's claim or intention to make a claim in respect of that benefit in writing or another manner or form reasonably satisfactory to the Trustee and within any period determined or allowed by the Trustee either generally or in any particular case; and
 - (2) the availability to the Trustee or a delegate or nominee of the Trustee of all information, evidence and proofs required by the Trustee, delegate or nominee in order to be fully satisfied as to that person's existence, identity and whereabouts, and that person's entitlement or continued entitlement to receive that benefit, within any period determined or allowed by the Trustee either generally or in any particular case after the date on which the Trustee, delegate or nominee first requires that information, evidence or proof.
- (b) **Failure to comply.** Without limiting clause 1.22.5(a) or clause 1.23.3 -
- (1) the Trustee may suspend consideration of a person's claim to or payment of a benefit until all required information, evidence and proofs become available to the satisfaction of the Trustee; and

- (2) whether or not any action has been taken to identify, locate, contact or advise a claimant or potential claimant, if at the expiration of any period provided for in clause 1.22.5(a)(1) no person has notified the Trustee or an Employer of a claim or intention to make a claim in respect of a particular benefit, that benefit ceases to be payable and (subject to clause 1.22.5(c)) shall be retained in the Fund.
- (c) **Overriding Trustee discretion.** Upon subsequent production of information, evidence or proofs satisfactory to the Trustee, the Trustee may pay all or part of a relevant benefit to a person whom the Trustee considers would have been entitled to that benefit but for the preceding provisions of this clause 1.22.5, but the Trustee is not under a duty to apply this clause 1.22.5(c) or to consider whether the Trustee should apply this clause, even if the Trustee has actual notice of a relevant matter.

1.22.6 Payment of death benefits.

- (a) **Binding death benefit nominations.** Any benefit payable from the Fund on or after the death of a Member (other than a Complying Pensioner) is payable:
- (1) to the Member's Nominated Beneficiary; or
- (2) in accordance with clause 1.22.6(b) if at the time of the Member's death there is no Valid Nomination Form in respect of the Member or if payment in accordance with clause 1.22.6(a)(1) cannot otherwise be made.
- (b) **Basis of payment.** Subject to clause 1.22.6(a), 1.22.6(c), clause 1.22.6(e), clause 4.4.4, clause 4.5.4 and clause 4.5.5, any benefit payable from the Fund on or after the death of a Member (other than a Complying Pensioner) which under this Deed is not expressed to be payable to or for the benefit of some other specified person or persons must be paid or applied by the Trustee to or for the benefit of one or more of -
- (1) the Member's Dependants; and
- (2) the Member's legal personal representatives,
- to the exclusion of the other or others of them and in the form, manner, proportions and subject to the conditions determined by the Trustee, including payment in instalments to one or more of the Member's Pension Dependants.
- (c) **No Dependants or legal personal representative.** If after such inquiries and such period as the Trustee considers appropriate the Trustee is unable to identify a Dependant or legal personal representative of a deceased Member to its satisfaction, the Trustee may pay or apply the benefit otherwise payable under clause 1.22.6(b) in any other manner permissible under the Relevant Law.
- (d) **Discharge of Trustee.** The receipt of a person to whom an amount is paid by the Trustee under this clause 1.22.6 is a complete discharge to the Trustee in respect of an amount paid to that person and the Trustee is not bound to see to the application of that amount.
- (e) **Form of death benefit payable.** If a death benefit is payable to a Member's Dependand under clause 1.22.6(a) or 1.22.6(b), the Trustee may decide to pay that benefit as a lump sum or as a pension on such terms as the Trustee and that Dependand determine and as required by the Relevant Law, provided that in respect of a Member who dies on or after 1 July 2007 a pension cannot be paid if the Dependand does not satisfy the definition of Pension Dependand.

1.22.7 Beneficiary under disability.

- (a) **Powers of Trustee.** If it appears to the Trustee that a Beneficiary is under a legal disability or is unable for any reason to satisfactorily deal with an amount otherwise payable to the Beneficiary from the Fund, the Trustee may pay or apply the whole or part of any amount payable to the Beneficiary for or towards the maintenance, education, advancement or otherwise for the benefit of the Beneficiary in any form and manner and subject to any conditions determined by the Trustee, including without limitation by way of payment to a person who, in the opinion of the Trustee -
- (1) is a trustee for the Beneficiary, including without limitation a trustee of a separate trust established by the Trustee upon the trusts and with the Powers determined by the Trustee;
 - (2) is a representative, Spouse, child, parent or guardian of the Beneficiary; or
 - (3) has custody or care (or the financial expense of custody or care) of the Beneficiary.
- (b) **Discharge of Trustee.** The receipt of a person to whom an amount is paid by the Trustee under clause 1.22.7(a) is a complete discharge to the Trustee and the Trustee is not bound to see to the application of that amount. The Trustee is not under a duty to have recourse to this clause 1.22.7(b) or to consider whether the Trustee should have recourse to this clause, even if the Trustee has actual notice of a relevant matter.

1.22.8 Provision of benefits.

- (a) **Compulsory provision of benefits.** If, in the opinion of the Trustee, a benefit must be paid or commence to be paid from the Fund to or in respect of a Member upon the occurrence of a particular event or circumstance (notwithstanding that there is no actual termination or interruption of employment) in order to satisfy the Relevant Law:
- (1) the Trustee must pay or commence payment of that benefit subject to such conditions as are necessary to satisfy the Relevant Law; and
 - (2) subject to any contrary agreement between the Trustee and the Principal Employer, for the purposes of determining the amount of or eligibility for payment of any benefit payable pursuant to this Deed in respect of an event or circumstances occurring or arising after the date the benefit is paid or commences to be paid, that Member must be treated for all intents and purposes under this Deed as if that Member had never previously been an Employee or a Member.
- (b) **Voluntary provision of whole benefit.** Subject to clause 1.22.8(c), if in the opinion of the Trustee, a benefit may be paid from the Fund in respect of a Member upon the Member attaining a particular age or upon the occurrence of a particular event or circumstance (notwithstanding that there is no actual termination or interruption of employment) without causing a breach of the Relevant Law:
- (1) the Trustee may pay that benefit; and
 - (2) subject to any contrary agreement between the Trustee and the Principal Employer, for the purposes of determining the amount of or eligibility for payment of any benefit payable pursuant to this Deed in respect of an event or circumstance occurring or arising after the date the benefit is paid, that Member

must be treated for all intents and purposes under this Deed as if that Member had never previously been an Employee or a Member.

(c) **Voluntary provision of part benefit.** If, in the opinion of the Trustee:

- (1) a benefit may be paid or commence to be paid from the Fund in respect of a Member upon the Member attaining a particular age or upon the occurrence of a particular event or circumstance (notwithstanding that there is no actual termination or interruption of employment) without causing a breach of the Relevant Law; and
- (2) payment of the benefit under clause 1.22.8(c)(1) does not extinguish the rights and interests of that Member (or the rights and interests of any person entitled to claim in respect of the Member) under this Deed,

then:

- (3) the Trustee may pay or commence payment of that benefit; and
- (4) the amount of any further benefit, in respect of an event or circumstance occurring or arising after the date the benefit under clause 1.22.8(c)(3) is paid or commenced to be paid, that is payable in respect of the Member pursuant to this Deed will be determined by the Trustee after obtaining the advice of the Actuary.

1.22.9 Payment of unrestricted non-preserved benefits.

If any part of a Member's Aggregate Account Balance is not subject to preservation under the Relevant Law, the Member may request at any time that any or all of the unrestricted non-preserved part of the Aggregate Account Balance be paid to the Member, subject to the Relevant Law. However, any request for a partial payment must not be less than the minimum amount determined by the Trustee either generally or in a particular case.

Part 1.23 Deductions and Forfeiture

1.23.1 Debts due to Fund or Trustee.

The Trustee may deduct from a Member's or Beneficiary's interest in the Fund or from any moneys which but for this clause 1.23.1 would be payable to or for the benefit of the Member or Beneficiary, and may retain in the Fund, any amount determined by the Trustee to be owing to the Trustee or the Fund by that Member or Beneficiary either solely or in conjunction with any other person on any account whatever, including without limitation -

- (a) an amount determined by the Trustee to be necessary to reimburse or compensate the Fund or the Trustee for loss or damage suffered as a result of the fraud, dishonesty or other misconduct of the Member or Beneficiary; and
- (b) interest at any rate and in respect of any period determined by the Trustee.

1.23.2 Debts due to Employer.

Except as permitted, expressly or by necessary implication, under the Relevant Law, the Trustee must not act on, give effect to or otherwise recognise a mortgage, lien, charge or other encumbrance in favour of an Employer in relation to any benefit of a Member or Beneficiary but (subject to part 1.2) a notice given to the Trustee by the Principal Employer pursuant to the

provisions of this clause in force before 30 June 1995 shall continue to have effect as if those previous provisions had continued in force unaltered.

1.23.3 Conditions on benefit entitlements.

(a) **Relevant conditions.**

- (1) Except as permitted, expressly or by necessary implication, under the Relevant Law and without limiting part 1.2, no part of a person's interest or entitlement under this Deed is capable of being assigned to, or of becoming mortgaged, charged or otherwise encumbered in favour of, any other person.
- (2) Subject to part 1.2, it is a condition precedent of a person being entitled to a benefit under this Deed that that person is, at all material times, an Entitled Person.

(b) **Alienation of benefits: protective trust.** If a person is not an Entitled Person by reason of that person falling within paragraph (a) of the definition of Entitled Person in clause 1.1.1, the Trustee must hold any benefit to which, but for the operation of this clause 1.23.3, that person would be entitled under this Deed upon trust to be paid or applied by the Trustee to or for the benefit of one or more of -

- (1) that person;
- (2) that person's Dependants; and
- (3) if that person has died, any other person to whom payment may be made under clause 1.22.6,

to the exclusion of the other or others of them and in the proportions, manner and form, and subject to the trusts and conditions, determined by the Trustee. Without limiting the preceding words, in the exercise of its discretion under this clause in respect of a person, the Trustee may pay any part of a relevant benefit to another person who in the opinion of the Trustee -

- (4) is a trustee for that person or a trustee for a Dependant of that person, including without limitation a trustee of a separate trust established for this purpose by the Trustee upon the trusts and Powers determined by the Trustee;
- (5) is a representative, Spouse, child, parent or guardian of (or an executor or administrator of the estate of) that person or of a Dependant of that person; or
- (6) has the custody or care (or the financial expense of the custody or care) of that person or a Dependant of that person.

(c) **Non-compliance with clause 1.22.5(a).** If a person is not an Entitled Person because of that person's failure to comply with clause 1.22.5(a) to the Trustee's satisfaction, the Trustee may apply any benefit to which, but for the operation of this clause 1.23.3, that person would be entitled under this Deed in any manner which is permissible under the Relevant Law and the Trustee considers appropriate, including without limitation in the manner provided in clause 1.22.5(c).

(d) **Discharge of Trustee.** The receipt of a person to whom the Trustee is authorised to pay an amount under this clause 1.23.3 is a complete discharge to the Trustee and the fact that a person is not an Entitled Person at the time an amount is paid to that person

by the Trustee may not be asserted as a breach of duty by the Trustee and shall not result in any liability for the Trustee.

1.23.4 Consequential adjustments.

Subject to part 1.2 -

- (a) the Trustee may adjust the rights, interests and obligations of any person (and of any other person otherwise entitled to claim in respect of that person or on the occurrence of an event or circumstance affecting that person) in the manner and to the extent the Trustee considers appropriate in taking account of clause 1.23.1, clause 1.23.2 or clause 1.23.3; and
- (b) if, having ceased to be an Entitled Person, a person subsequently becomes an Entitled Person, the Trustee may re-adjust any such right, interest or obligation in the manner, to the extent and on the conditions the Trustee considers appropriate, but the Trustee is not under a duty to apply this paragraph (b), or to consider whether the Trustee should apply this paragraph, even if the Trustee has actual notice of a relevant matter.

Part 1.24

Employers: Miscellaneous Provisions

1.24.1 Employer's Powers not affected.

Nothing in this Deed prejudices the Powers of an Employer regarding the dismissal or remuneration of or any dealings whatever with any of its officers, employees or servants. Any benefit to which a person may be entitled under this Deed must not be used or alleged or claimed as damages or as grounds for increasing damages in any action or claim by or in respect of that person against an Employer in relation to the dismissal of or other dealings with that person by the Employer.

1.24.2 Employer's Powers.

Except to the extent otherwise expressly provided elsewhere in this Deed, in the exercise, non-exercise or partial exercise of each Power exercisable by it under this Deed, the Principal Employer or an Associated Employer has an absolute and uncontrolled discretion and is not subject to any fiduciary or like duty, obligation or standard.

1.24.3 Appointment of Receiver.

If a receiver, receiver and manager, liquidator or trustee in bankruptcy is appointed in respect of an Employer or the whole of the property of an Employer or if an Employer is placed under the official management of a person or a committee of management (collectively called "Receiver"), until the Receiver is discharged from or otherwise ceases to hold office all Powers exercisable by the Employer are exercisable by the Receiver and references in this Deed to that Employer are deemed to be references to the Receiver.

Part 1.25

Notices

1.25.1 Normal procedures.

A notice, cheque or other written matter (collectively called "notice" in this part 1.25) may be given to any person by handing it to that person personally, by leaving it at that person's address last known to the person giving the notice or by sending it to that address by ordinary

prepaid post (including, in the case of a body corporate, the registered office or principal place of business of that body).

1.25.2 Other procedures.

Without limiting clause 1.25.1, notification of any matter may also be given by the Trustee or an Employer -

- (a) to an Employee (whether or not a Member) by way of -
 - (1) a notice placed on a notice board; or
 - (2) a notice included in a magazine, newsletter or other publication,

utilised (either generally or for any particular purpose) for information dissemination purposes at a normal workplace of the Employee or any other place the Employee could reasonably be expected to visit in the course of the Employee's normal duties; and
- (b) to any person -
 - (1) by way of a notice placed in a newspaper circulating in those places the Trustee may consider appropriate in the circumstances; or
 - (2) by way of any data or image transmission or communication facility or medium, including without limitation facsimile and electronic mail.

1.25.3 Receipt of notices.

A notice is deemed to have been received -

- (a) in the case of a notice given by hand, at the time of delivery;
- (b) in the case of a notice given by post, at the expiration of 3 normal working days (in the location at which the notice is posted) after posting;
- (c) in the case of a notice placed on a notice board as provided in clause 1.25.2(a)(1), 2 normal working days (at the location of the notice board) after the notice is placed on the notice board;
- (d) in the case of a notice included in a magazine, newsletter or other publication as provided in clause 1.25.2(a)(2), 5 normal working days (at the location at which the publication is published) after the date of publication;
- (e) in the case of a notice published in a newspaper as provided in clause 1.25.2(b)(1), 2 calendar days after the date the newspaper is published; or
- (f) in the case of a notice given by way of a facility or medium falling within clause 1.25.2(b)(2), when transmitted to the addressee (whether or not legibly received),

or, in any case, at any later date which the Trustee may determine to be appropriate in the circumstances.

Part 1.26 Applicable Currency and Law

1.26.1 Australian currency.

Except as otherwise expressly provided in this Deed or as otherwise determined by the Trustee either generally or in any particular case, all monetary liabilities and obligations imposed on the Fund or any person under this Deed (including without limitation contributions and benefits payable under this Deed) must be calculated and expressed in Australian currency using a basis of conversion into Australian currency determined or approved by the Trustee.

1.26.2 Proper law.

- (a) This Deed is governed by, and takes effect and must be construed in accordance with, the proper law of this Deed.
- (b) The proper law of this Deed is the law of the State of Victoria or of any other State or Territory of Australia agreed between the Trustee and the Principal Employer.

Part 1.27 Portability of Benefits

1.27.1 Transfers into the Fund.

- (a) **General powers.** Subject to part 1.2, this clause 1.27.1 and clause 1.27.3, the Trustee and the Principal Employer may agree to the Trustee making or carrying into effect an arrangement whereby -
 - (1) either generally or in any particular case in respect of a participant or former participant in an Approved Benefit Arrangement -
 - (A) that person, if not already a Member or Beneficiary, becomes a Member or Beneficiary;
 - (B) moneys and assets are paid or transferred to the Fund in respect of that person; and
 - (C) that person is granted such rights and has such obligations under this Deed (whether in addition to or in lieu of any rights or obligations otherwise arising under this Deed) as may be agreed between the Trustee and the Principal Employer, after obtaining the advice of the Actuary; or
 - (2) the Trustee receives amounts into the Fund which are not attributable to any particular Member from another Approved Benefit Arrangement and those amounts are dealt with as the Trustee determines.
- (b) **Rights contingent.** The rights granted in respect of a person pursuant to an arrangement entered into under clause 1.27.1(a)(1) are contingent upon that arrangement operating as anticipated by the Trustee and the Principal Employer. In particular, if money or property is not made available to the Fund in respect of a person in accordance with the Principal Employer's expectations in connection with such an arrangement, the Trustee (after obtaining the advice of the Actuary and subject to part 1.2) must adjust the benefits to be provided for and in respect of that person in the

manner and to the extent determined by the Principal Employer and notified to the Trustee.

- (c) **Former CSS Members.** For the avoidance of doubt and without limiting clause 1.27.1(b), it is expressly provided that, in the case of a Former CSS Member, the provision of benefits in relation to Credited CSS Service is contingent upon arrangements being made and implemented to the satisfaction of the Principal Employer and the Trustee regarding the availability to the Fund of moneys and assets from and in respect of the Commonwealth Superannuation Scheme.

1.27.2 Transfers from the Fund (or between divisions).

- (a) **With consent - portability of benefits during period as an Employed Member.** Without limiting any other provision of this clause 1.27.2 but subject to part 1.2 and clause 1.27.3, the Trustee and the Principal Employer may agree to the Trustee making or carrying into effect an arrangement whereby, with the consent of the Employed Member, there is paid or transferred part or all of an amount agreed, or determined in a manner agreed, between the Trustee and the Principal Employer from one or more divisions of the Fund to one or more of the following -
- (1) an Approved Benefit Arrangement in which an Employed Member participates or is eligible to participate; or
 - (2) any other division of the Fund.
- (b) **With consent - portability of benefits after benefit has become payable.** Without limiting any other provision of this clause 1.27.2 but subject to part 1.2 and clause 1.27.3, in lieu of providing all or part of a benefit from the Fund in respect of a Beneficiary, the Trustee with the consent of the Beneficiary may pay or transfer to or towards an Approved Benefit Arrangement in which the Beneficiary participates or is eligible to participate or to division 4 -
- (1) an amount representing the value of all or that part of the benefit, as determined by the Trustee; or
 - (2) any greater amount agreed between the Trustee and the Principal Employer but not exceeding the Beneficiary's Equitable Share.
- (c) **Compulsory - transfer of defined benefit Member to division 6 following choice of fund election.** Subject to part 1.2 and clause 1.27.3, in respect of an Employed Member who is a member of division 2 or division 5, if in accordance with this Deed all contributions by the Member's Employer in respect of the Member have ceased in accordance with clause 1.21.1 because the Member is, or is eligible to become, a participant in another Approved Benefit Arrangement as a result of making a "choice of fund" election under the SG Act, then the Trustee must –
- (1) cause the Member's benefit under division 2 or division 5 (as applicable) to be calculated (as if the Member had ceased to be an Employee) ("**Withdrawal Benefit**"); and
 - (2) without obtaining the consent of the Member, cause that Withdrawal Benefit to be credited to a Member's Account which the Trustee will establish for the Member under division 6; and

- (3) upon that Withdrawal Benefit being transferred or credited in accordance with clause 1.27.2(c)(2), the Member's right or claim to any benefit under division 2 or division 5 (as applicable) is extinguished,

but the Trustee must refrain from making a transfer under this clause 1.27.2(c) if and for so long as the Trustee considers it is necessary to do so in order to comply with any applicable requirement of a Relevant Law.

- (d) **Compulsory – Successor fund transfer.** Subject to part 1.2 and clause 1.27.3, if in respect of a Member -

- (1) in accordance with this Deed all contributions by and in respect of the Member have ceased;
- (2) the Member is a participant in or is eligible to become a participant in another Approved Benefit Arrangement (which, in the case of an Employed Member, is maintained by an Employer for some or all of its Employees and is nominated by the Principal Employer for this purpose), the governing rules of which permit the transfer; and
- (3) the circumstances are such as to satisfy any applicable requirements of the Relevant Law concerning transfers without Member consent,

the Trustee must cause to be paid or transferred from the Fund to that Approved Benefit Arrangement (without obtaining the Member's consent) an amount equal to the Member's Fund Interest or, in the case of an Employed Member, any greater amount agreed between the Trustee and the Principal Employer, but not exceeding the Member's Equitable Share.

- (e) **Compulsory – automatic transfer of Employed Member's benefits after cessation of employment.** Subject to part 1.2, clause 1.27.3 and any contrary agreement between the Trustee and Principal Employer, if a Member ceases to be an Employee and becomes entitled to a benefit under the relevant division, the Trustee may, without obtaining the consent of the Member, cause the value of that benefit to be transferred to:

- (1) division 4 of the Fund; or
- (2) an Approved Benefit Arrangement approved by the Trustee; or
- (3) any other division of the Fund, provided that the Member is, or is about to be, employed by an Employer which makes contributions to that division.

- (f) **Compulsory – general provision for transfer of Beneficiary's benefit in absence of payment instructions.**

Subject to part 1.2, clause 1.27.3 and any contrary agreement between the Trustee and Principal Employer, if a Beneficiary does not take all steps which, in the opinion of the Trustee, are reasonably necessary in order to ensure that the value of the benefit payable to the Beneficiary (including without limitation any deferred or preserved benefit), is transferred to an Approved Benefit Arrangement or to the relevant division of the Fund, the Trustee may, without obtaining the consent of the Beneficiary, cause the value of that benefit to be transferred to:

- (1) division 4 of the Fund; or

- (2) an Approved Benefit Arrangement approved by the Trustee; or
- (3) any other division of the Fund, provided that the Beneficiary is, or is about to be, employed by an Employer which makes contributions to that division.

1.27.3 General provisions concerning transfers.

- (a) **Method of transfers out.** The Trustee may effect a payment or transfer from the Fund under clause 1.27.2 by way of payment of money or transfer of assets.
- (b) **Discharge of Trustee.** The receipt of the trustees of, or of another person responsible for, an Approved Benefit Arrangement (including, in the case of an annuity effected in respect of a Member, the body providing that annuity) is a complete discharge to the Trustee and the Trustee is not responsible for the application or disposal of money or assets so paid or transferred.
- (c) **Transfers of Employed Members between divisions.** Subject to part 1.2, clause 1.16.7(b) and this clause 1.27.3, if an Employed Member who is a member of one division (“**former division**”) becomes a member of another division (“**new division**”), then the Trustee must cause an amount equal to the Member’s withdrawal benefit under the former division to be credited to an account for the Member under the new division and upon that amount being credited, the Member’s right or claim to any benefit under the former division is extinguished.
- (d) **Effect of transfer on benefits.**
 - (1) Unless otherwise agreed between the Principal Employer and the Trustee -
 - (A) upon payment or transfer from the Fund of a Member’s or Beneficiary’s Fund Interest in accordance with clause 1.27.2, all of the rights and interests of that Member or Beneficiary under this Deed (and all of the rights and interests of any person otherwise entitled to claim in respect of the Member or Beneficiary or on the occurrence of any event or circumstance affecting the Member or Beneficiary) are extinguished; and
 - (B) upon payment or transfer from the Fund in accordance with clause 1.27.2 of the whole of the value of a benefit otherwise payable from the Fund to or in respect of a Member or Beneficiary, all of the rights and interests of that Member or Beneficiary under this Deed in respect of that benefit are extinguished.
 - (2) In the case of a payment or transfer from the Fund in respect of a Member or Beneficiary in accordance with clause 1.27.2 which does not fall within clause 1.27.3(d)(1), the rights and interests of that Member or Beneficiary under this Deed (and the rights and interests of any person otherwise entitled to claim in respect of the Member or Beneficiary or on the occurrence of any event or circumstance affecting the Member or Beneficiary) are extinguished or adjusted in the manner and to the extent the Trustee and the Principal Employer, after obtaining the advice of the Actuary, agree to be appropriate and equitable in taking account of that payment or transfer.
- (e) **Overriding compliance conditions.** All payments and transfers into the Fund under clause 1.27.1, and out of the Fund under clause 1.27.2, shall be subject to such conditions as the Trustee considers necessary in order to satisfy the Relevant Law, including without limitation conditions necessary to satisfy conditions imposed under a Relevant Law concerning the deferral or preservation of a benefit.

- (f) **Unilateral Trustee powers under Supervision Act.** The Trustee is empowered and, in certain circumstances, required by the Supervision Act to make unilateral payments and transfers from the Fund, and (to the extent provided in the Supervision Act) may do so notwithstanding anything in this Deed to the contrary.

Part 1.28 Amendment Powers and Procedures

1.28.1 Amendments to comply with Relevant Law.

Subject to clause 1.28.3, the Principal Employer and the Trustee may by deed or by oral or written resolution (including in either case a resolution of its Board) amend, add to, revoke or replace all or any of the trusts and provisions of this Deed (including without limitation this part 1.28) in order to comply with any applicable requirement of a Relevant Law.

1.28.2 Other amendments.

Subject to clause 1.28.3, the Principal Employer by deed or by oral or written resolution (including without limitation a resolution of the Board) may amend, add to, revoke or replace all or any of the trusts and provisions of this Deed (including without limitation this part 1.28) as the Principal Employer sees fit but no such amendment, addition, revocation or replacement (collectively called an “amendment”) shall -

- (a) in the case of an amendment to which the consent of the Trustee is required under a Relevant Law, be made without the consent of the Trustee; and
- (b) in any case, take effect in respect of a Member or Beneficiary unless -
 - (1) the Actuary certifies that that amendment will not reduce the amount of any benefit presently or prospectively payable in respect of the Member or Beneficiary to the extent that that benefit has accrued in respect of the period up to the date the relevant deed is executed or the relevant resolution is made;

prior to attaining the age of 65 years, there is payable to the Member from the Fund a lump sum benefit equal to the benefit which would have been payable under clause 8.7.3 if the Member had died on the date on which the Member ceased to be an Employee because of Total and Permanent Invalidity or any other date agreed between the Trustee and the Employer from time to time either generally or in any particular case.

- (d) **Payment and cessation of income protection benefit.**
- (1) Subject to clause 8.7.5(b) and part 1.11, the income protection benefit is payable by monthly instalments. - (e) **Arrangements after cessation of income protection benefit.**
- (1) If the Member continues to be, or again becomes, an Employee when the income protection benefit ceases, the Member shall continue as a Member of this division 8 and the Deed shall continue to apply to and in respect of the Member.
 - (2) If the Member does not continue to be, or again become, an Employee when the income protection benefit ceases, there shall be payable to or in respect of the Member from the Fund a benefit determined in accordance with the relevant provisions of this division 8 on the date as at which the income protection benefit ceased to be payable.
- (f) **Interpretational provisions.** For the purposes of the whole or any particular provision of the Deed, in the case of a Member who is entitled to receive an income protection benefit under this clause 8.7.5 –
- (1) the Member is deemed to have remained an Employee during the whole of the period for which the income protection benefit is payable and any deferment or waiting period for that benefit (the aggregate of such periods being hereinafter referred to as “the Disability Period”); and
 - (2) during the Disability Period the Member’s Salary shall be deemed to be equal to the Member’s Salary immediately before the Date of Disablement or, subject to part 1.2, any greater amount as may be determined by the Employer.

- (c) This Determination applies to division 2 and division 5 of the Deed.

1.2 Special definitions

Subject to the Deed (including without limitation paragraphs (a) and (b) of the definition of "Salary" in division 2 of the Deed), the Salary of a Member of division 2 as at a Salary Review Date, as defined in division 2 of the Deed,

during any period when the Member of division 2 is a Part-time Employee is the sum of -

- (a) the Salary which would have applied to the Member as at that date in accordance with the Special Determination regarding Salary if the Member was doing the same work on a full-time basis but ignoring any loading or allowance due to the Member;
- (b) where a percentage loading is due to the Member, the applicable percentage of the Member's Salary determined under paragraph (a) above; and
- (c) the actual amount of any allowance due to the Member, determined in accordance with the Special Determination regarding Salary.

2.2 Final Average Salary

Subject to the Deed (including without limitation paragraphs (a) and (b) of the definition of "Salary" in division 2 of the Deed), for the purpose of determining a Member's Final Average Salary the Salary of the Member of division 2 as at a relevant Salary Review Date during a period when the Member is a Part-time Employee shall be determined in the manner provided in clause 2.1 above.

2.3 Member contributions

The amount to be contributed to the Scheme during a pay period of Division 2 Membership when a Member of division 2 is a Part-time Employee and a Defined Benefit Contribution Rate Option other than 0% applies to the Member will be calculated in accordance with the following formula -

$$\text{Contributions} = \text{CRO} \times \frac{\text{S}}{\text{YPP}} \times \frac{\text{AH}}{\text{EFTH}}$$

Where:

- "CRO" is the Defined Benefit Contribution Rate Option which applies to the Member during that pay period;
- "S" is the Member's Salary (determined in accordance with clause 2.1 of this Determination);
- "YPP" is the number of pay periods in the calendar year in which that pay period commenced, based on the established pay system as at the commencement of that pay period;
- "AH" is the number of hours (and any fraction of an hour not forming part of a complete hour) worked by the Member during the pay period; and
- "EFTH" is the number of hours (and any fraction of an hour not forming part of a complete hour) which the Member would have worked during the pay period if, while a Part-time Employee, the Member had done the same work but on a full-time basis.

(c) Constant 5% Multiple

The Member's Constant 5% Multiple as at any particular date shall be determined in the manner provided in the Deed and then adjusted in respect of each pay period during Division 2 Membership when the Member was a Part-time Employee in the ratio which AH bears to EFTH, where each of "AH" and "EFTH" has the meaning given in clause 2.3 of this Determination.

- (b) ceases to be an Employee before attaining the age of 60 years because of Total and Permanent Invalidity,

for the purpose of calculating the benefit payable under clause 2.3.2 or clause 2.3.3 of the Deed, as the case may be, the value of "FM60" shall be determined in the manner provided in clause 2.3.2 and then adjusted in the ratio which T1 bears to T2, where -

"T1" is the sum of the values of AH (as defined in clause 2.3 of this Determination) in respect of the pay periods in the Relevant Period, including any pay period in which the Relevant Period commences or ends;

"T2" is the sum of the values of EFTH (as defined in clause 2.3 of this Determination) in respect of the pay periods in the Relevant Period, including any pay period in which the Relevant Period commences or ends;

- “S”** is the Member’s Salary (determined in accordance with clause 3.1 of this Determination);

each Aggregate Contribution Percentage shall be determined in the manner provided in the Deed and then adjusted in respect of each pay period during Division 5 Membership when the Member was a Part-time Employee in the ratio which AH bears to EFTH, where each of “AH” and “EFTH” has the meaning given in clause 3.3 of this Determination.

(c) Maximum 5% Average Contribution Percentage

The Member's Maximum 5% Average Contribution Percentage as at any particular date shall be determined in the manner provided in the Deed and then adjusted in respect of each pay period during Division 5 Membership when the Member was a Part-time Employee in the ratio which AH bears to EFTH, where each of “AH” and “EFTH” has the meaning given in clause 3.3 of this Determination.

3.5 Calculation of death and invalidity benefits before age 65

In the case of a Member who has at any time during Division 5 Membership been a Part-time Employee and who -

- (a) dies while an Employee before attaining the age of 65 years; or
- (b) ceases to be an Employee before attaining the age of 65 years because of Total and Permanent Invalidity,

for the purpose of calculating the benefit payable under clause 5.6.4 or clause 5.6.6 of the Deed, as the case may be, the period of Contributory Membership shall be determined in the manner provided in clause 5.6.4 and then adjusted in the ratio which T1 bears to T2, where -

PART IX. Annexure C – Special Determination: Part-time Employees for purposes of division 8

"T1" is the sum of the values of AH (as defined in clause 3.3 of this Determination) in respect of the pay periods during the Member's period of Superannuation Membership; and

Special Determination

Subject Matter of Determination: Part-time Employees for purposes of division 8.

Effective Date: 1 July 2001

1 Interpretation

1.1 Definitions in Deed

- (a) Except where expressly defined otherwise in this Determination, a word or expression defined in the Deed has, when used in this Determination, the same meaning as the word or expression is given in the Deed.
- (b) This Determination is subject to part 1.2 of the Deed.
- (c) This Determination applies to division 8 of the Deed.

1.2 Special definitions

In this Determination -

"Authorised Delegate" means at any particular date and for any particular purpose a person who is an authorised delegate of the Principal Employer at that time and for that purpose in accordance with relevant delegations made by the Principal Employer.

"Part-time Agreement" means an agreement between a Part-time Employee and Pacific Access Pty Ltd as to how many hours in a pay period the Employee will regularly work.

"Part-time Employee" means an Employee who, with the agreement of Pacific Access Pty Ltd, regularly works less than prescribed full-time hours in a pay period, not including an Employee who takes approved leave without pay or a Casual Employee.

"Salary Determination" means the Special Determination concerning Salary for purposes of division 8, effective 1 July 2001.

1.3 Clarification

An Authorised Delegate may resolve any doubt regarding the interpretation or effect of this Determination.

2 Part-time Employees in division 8

2.1 Basis of determination of Salary

The Salary of a Member during any period when the Member is a Part-time Employee is:

- (a) subject to clause 2.1(b) of this Determination, the Salary of the Member determined in accordance with the Salary Determination, and calculated on the basis of hours of work agreed upon in the Part-time Agreement; and
- (b) for purposes of calculating the Accrued Retirement Benefit (if applicable) of the Member as at a particular date, the Salary which would have applied to the Member as at that date determined in accordance with the Salary Determination, but determined as if the Member was doing the same work on a full-time basis.

2.2 Adjustment to Division 8 Membership

In determining a Member's Accrued Retirement Benefit, the value of "DM" shall be determined in the manner provided in the definition of "Accrued Retirement Benefit" in the Deed but adjusted in respect of the relevant period during Division 8 Membership when the Member was a Part-time Employee in the ratio which AH bears to EFTH, as follows –

$$\text{Division 8 Membership} \times \frac{\text{AH}}{\text{EFTH}}$$

where:

"AH" is the number of hours (and any fraction of an hour not forming part of a complete hour) agreed under the Part-time Agreement to be worked by the Member in each pay period; and

"EFTH" is the number of hours (and any fraction of an hour not forming part of a complete hour) which the Member would have worked during a pay period if, while a Part-time Employee, the Member had done the same work but on a full-time basis.

2.3 Calculation of DB Members' death and TPI benefits before age 65

(a) Special adjustments

The special adjustment provided for in clause 2.3(b) of this Determination shall be made when calculating the death and Total and Permanent Invalidity benefits to be provided in respect of a:

- (1) Defined Benefit Member;
- (2) Former TSS Division 2 Member;
- (3) Former TSS Division 5 Member; and
- (4) Former Telstra DB Member,

(together, "DB Members") who has at any time during Division 8 Membership been a Part-time Employee.

(b) **Part-time Agreement deemed to continue to age 65**

In determining a DB Member's death and Total and Permanent Invalidity benefits under clause 8.7.3(a), clause 8.7.4, clause 8.9.4(a)(1)(B) and clause 8.9.5(c) of the Deed, the Member's Accrued Retirement Benefit is calculated as if the Member had retired at age 65, but assuming that:

- (a) the Salary of the Member as at the date of death (determined in accordance with clause 2.1(b) of this Determination); and
- (b) the Part-time Agreement that applied to the Member as at the date of death,

would have continued unchanged to age 65, so that the adjustment to the value of "DM" shall be determined in the manner provided in clause 2.2 of this Determination.

This Determination entirely replaces any previous Special Determination regarding the specified Subject Matter, with effect on the Effective Date.

TELSTRA SUPERANNUATION SCHEME

("Scheme")

Special Determination

Subject Matter of Determination: "Salary" for purposes of division 2, division 3 and division 5

Effective Date: 1 July 1998

1 Interpretation

1.1 Definitions in Deed

- (a) Except where expressly defined otherwise in this Determination, a word or expression defined in the Deed has, when used in this Determination, the same meaning as that word or expression is given in the Deed.
- (b) This Determination is subject to part 1.2 of the Deed.
- (c) This Determination applies to division 2, division 3 and division 5 of the Deed.

1.2 Special definitions

In this Determination -

"Authorised Delegate" means at any particular date and for any particular purpose a person who is an authorised delegate of the Principal Employer at that time and for that purpose in accordance with relevant delegations made by the Principal Employer.

1.3 Clarification

An Authorised Delegate may resolve any doubt regarding the interpretation or effect of this Determination.

2 Basis of determining "Salary" for purposes of division 2

2.1 Definitions

"Salary Review Period" means for the purpose of determining a Member's Salary as at a Salary Review Date the period commencing immediately after the last preceding Salary Review Date and ending on (and including) the Salary Review Date as at which the determination is to be made.

2.2 Normal basis

Subject to the Deed and this Determination, a Member's Salary is as advised by the Employer to the Trustee and is the annual rate of salary or wage payable to the Member by the Principal Employer or any Associated Employer as at a Salary Review Date, including certain allowances, determined in accordance with this Determination.

2.3 Alteration on Salary Review Dates

A Member's Salary only alters as at a Salary Review Date but a Member's Salary as at a particular Salary Review Date (other than the initial Salary Review Date of the Member) is the highest amount calculated in respect of the Member (in the same manner as Salary is to be calculated under this Determination) during the Salary Review Period.

2.4 Retrospective increases ignored

An increase in remuneration which formally takes effect during a Salary Review Period by reason of a retrospective confirmation, authorisation, approval, decision or determination made or given during a following Salary Review Period will not be taken into account in determining Salary during the first-mentioned Salary Review Period, even though it may have actually been paid during that Period.

2.5 Salary Review Dates

Each birthday of the Member is a Salary Review Date. If a Member is born on 29 February, 1 March will be deemed to be the Member's birthday in each non-leap year. If a Member joins the Scheme on a date which is not the Member's birthday, the date of joining is also a Salary Review Date.

2.6 Allowances

(a) Types of allowances

For the purposes of determining Salary, allowances are divided into the following categories:

- A. allowances which are automatically included in Salary;
 - B. allowances which will be recognised as Salary provided certain criteria are met;
 - C. shift allowances; and
 - D. allowances which are not recognised as Salary,
- as explained in this clause 2.6.

(b) Allowances automatically included in Salary

The following types of allowances are automatically included in Salary:

- A. an allowance which makes up salary or wages when a person's salary or wage is reduced;

- B. an allowance payable in recognition of a particular qualification or standard of proficiency in any skill;
- C. an allowance payable in recognition of length of service and standard of efficiency attained; and
- D. an allowance payable to a person under the age of 21 years by reason of being married or performing duties normally performed by someone who has attained that age.

(c) **Allowances which must meet certain criteria**

(1) **Relevant allowances.** Allowances which are payable as a result of performing additional or higher functions as part of duties or work must meet certain criteria to be regarded as Salary. The more common of these allowances are -

- A. higher duties allowance;
- B. on call allowance;
- C. an allowance payable for being required to be in charge of staff, equipment or premises;
- D. an allowance payable in lieu of regular overtime or extra duty;
- E. an allowance payable as compensation for physical hardship or discomfort associated with the performance of particular duties.

(2) **Relevant criteria.** The criteria for recognition of the allowances in clause 2.6(c)(1) as Salary as at a Salary Review Date are:

Criterion 1 - the person has received the allowance for a continuous 12 month period of Superannuation Membership ending during the Salary Review Period;

OR

Criterion 2 - the person has received the allowance for a continuous 6 month period of Superannuation Membership ending during the Salary Review Period and is likely to receive the allowance for a further continuous period of 6 months.

The definition of “**likely**” for the purpose of satisfying Criterion 2 is that, in the opinion of an Authorised Delegate, the allowance has a greater than 50% chance of being received for a continuous period of 12 months. There will be occasions when it will not be possible to determine this at the end of the first 6 months continuous receipt of the allowance, and in such cases, the matter will be reviewed regularly and the allowance deemed to be included once either Criterion is met.

(d) Shift Allowance

- (1) **Relevant criteria.** The criteria for recognition of shift allowance as Salary as at a Salary Review Date are:

Criterion 1 - the person has received the allowance on at least 75% of pay days within a continuous 12 month period of Superannuation Membership ending during the Salary Review Period;

OR

Criterion 2 - the person has received the allowance on at least 75% of pay days within a continuous 6 month period of Superannuation Membership ending during the Salary Review Period and is likely to receive the allowance on at least 75% of pay days for a further continuous period of 6 months.

The definition of “**likely**” for the purpose of satisfying Criterion 2 is that, in the opinion of an Authorised Delegate, the allowance has a greater than 50% chance of being received for a continuous period of 12 months. There will be occasions when it will not be possible to determine this at the end of the first 6 months continuous receipt of the allowance, and in such cases the matter will be reviewed regularly and the allowance deemed to be included once either Criterion is met.

- (2) **Pay Periods which count.** For the purposes of clause 2.6(d)(1), the number of pay periods to be counted in a 6 month or 12 month period will include the whole of any pay period in which that 6 month or 12 month period commences or ends.

EXAMPLE

Pay Period	Pay Period 2-13	Pay Period
1		14
_____		_____

6 months continuous receipt of shift allowance
[and likely 2nd 6 months]

In the above example, salary or wage is paid fortnightly, shift allowance starts partway into pay period 1 and the 6 months duration falls partway into pay period 14. Both pay period 1 and pay period 14 count towards determining the 6 months, in addition to pay periods 2-13 (both inclusive).

- (3) **Periods of leave.** When shift allowance is not payable during a period of leave, all pay periods which both commence and end within the period of leave are to be excluded for the purposes of determining Salary for superannuation purposes.

EXAMPLE

Period of leave

In the above example, pay periods 2-4 (both inclusive) are excluded from determining Salary. Pay periods 1 and 5 are included.

- (4) **Amount of shift allowance recognised.** If there is a recognised shift allowance, the amount of Salary including shift allowance recognised as Salary on a particular Salary Review Date will be the **LESSER** of (1) and (2), where -

“(1)” is the amount determined according to the formula A x B, where -

A = in the case of a Member who has completed at least 12 months of Superannuation Membership, the highest amount of Salary (**including** shift allowance) paid or payable to the person in respect of work performed in one pay period during the 12 month period of Superannuation Membership immediately preceding (and including) that Salary Review Date; and

B = the number of pay periods in that 12 month period.

and

“(2)” is the amount determined according to the formula C plus D, where -

C = per annum Salary payable on that Salary Review Date **excluding** any shift allowance; and

D = the total amount of shift allowance paid or payable to the person for the pay periods included in the period of Superannuation Membership (not exceeding 12 months) immediately preceding (and including) that Salary Review Date.

(e) Allowances which are not recognised as Salary

Allowances which are not recognised as Salary are those paid to re-imburse actual or nominal costs incurred by a person in the performance of their duties. Commissions and similar sales performance payments are also excluded from Salary.

Examples of re-imbursement type allowances include -

- A. travel allowance;
- B. meal allowance;
- C. excess fares/excess travel;
- D. district allowance.

(f) Continuing of allowances or higher salary

Continuity of the receipt of allowances or higher salary or wage for the purposes of meeting the criteria for inclusion in Salary is not broken where the allowance or higher salary or wage is payable immediately before and after a period of leave but not payable during the period of leave. However, that period of leave will not count towards the criteria for inclusion in Salary.

(g) Cessation of allowance or higher salary

Where an allowance or higher salary or wage has been included as Salary and that allowance or higher salary or wage ceases, the Salary will continue to apply on subsequent Salary Review Dates until such time as that Salary is exceeded by another Salary (determined on the normal basis).

2.7 Salary for Superannuation - Associated Employer

The salary or wage paid by an Associated Employer to an Eligible Employee will be recognised as Salary, subject to:

- (a) the conditions and criteria specified in this Determination; and
- (b) where the Employee has been seconded to the Associated Employer by the Principal Employer, the approval of the Principal Employer.

2.8 Full Salary Equivalent Designations

Where an employment designation has more than one salary or wage range, the nominal salary or wage points (termed "full salary equivalents") for that designation will be regarded as Salary. Full salary equivalent is presently 83% of Total Average Earnings.

2.9 Part-time Employees

In the case of an Employee who with the agreement of the Employer regularly works less than prescribed full-time hours in a pay period, the Special Determination regarding Part-time Employees in division 2 contains special

provisions regarding Salary and other matters and overrides this Determination to the extent of conflict.

2.10 Seconded Members

(a) Definitions

In this clause 2.10 -

“Approved Employer” means in relation to a Member who is on Special Approved Leave an entity, body or organisation which is approved by the Principal Employer and which -

- (a) ensures that any contributions payable to the Scheme by the Member are efficiently collected and paid to the Scheme;
- (a) pays amounts to or in connection with the Scheme on the basis, and in the manner, determined by the Principal Employer from time to time; and
- (b) generally provides information and assistance reasonably required for the proper operation of the Scheme as it affects the Member.

“Approved Other Salary” means in relation to a Seconded Member as at any particular date -

- (a) the lesser of -
 - (1) the then annual rate of remuneration payable to the Member by the Approved Employer; and
 - (1) the maximum salary level of Manager Level 4, or the equivalent thereof from time to time, as advised by the Principal Employer;

or

- (c) any higher amount determined or approved by the Principal Employer from time to time either generally or in any particular case.

“Extended Leave Without Pay” and **“Leave Without Pay”** shall each have the meaning given to those words in the Special Determination regarding Leave Without Pay with respect to division 2.

“Seconded Member” means a Member who is for the time being -

- (a) on Leave Without Pay; and
- (d) engaged in gainful work for or with an Approved Employer.

“Special Approved Leave” shall have the same meaning given to those words in the Special Determination regarding Leave Without Pay with respect to division 2.

(b) Determination of Salary

Subject to clause 2.3 and clause 2.4 of this Determination, the Salary of a Seconded Member as at a Salary Review Date falling while he or

she is a Seconded Member is an amount equal to the highest of (a), (b) or (c), where -

“(a)” is the Approved Other Salary of the Member as at that Salary Review Date;

“(b)” is the Salary which would have applied in respect of the Member as at that Salary Review Date if the Member had been on Extended Leave Without Pay during the whole of the period when the Member was a Seconded Member; and

“(c)” is the highest Approved Other Salary determined in respect of the Member during the Salary Review Period ending on that Salary Review Date.

(c) **Overriding effect**

This clause 2.10 overrides any other provision of this Determination to the extent of any conflict.

3 Basis of determining “Salary” for purposes of division 3

3.1 Definitions

“**CSS**” means the benefit scheme maintained under the *Superannuation Act 1976*, as amended, for (but not limited to) employees of the Commonwealth of Australia.

3.2 Normal basis of determining “Salary” of a member who is for the time being a member of the CSS

Subject to the Deed and this Determination, the Salary of a Member (where the Member is for the time being a member of the CSS) is determined:

- (a) in accordance with the relevant provisions of the *Superannuation Act 1976* (and any regulations and rules laid down under the authority of that Act) applicable in determining the salary of a member for the purposes of the CSS; or
- (e) on such other basis (if any) as may be determined by the Principal Employer, not being less than the amount determined under (a) above,

but an increase in remuneration which formally takes effect during a Salary Review Period by reason of a retrospective confirmation, authorisation, approval, decision or determination made or given during a following Salary Review Period will not be taken into account in determining Salary during the first-mentioned Salary Review Period, even though it may have actually been paid during that Period.

3.3 Normal basis for determining “Salary” for a Member other than Member who is for the time being a Member of the CSS

Subject to the Deed and this Determination, the Salary of a Member (who is not for the time being a member of the CSS) means at any particular date the member’s annual rate of salary or wage payable to the Member by the Employer, and advised to the Trustee, including the following allowances:

- (a) an allowance which makes up salary or wages when a person’s salary or wage is reduced;
- (b) an allowance payable in recognition of a particular qualification or standard of proficiency in any skill;
- (c) an allowance payable in recognition of length of service and standard of efficiency attained;

- (f) an allowance payable for the performance of higher duties;
- (g) an allowance payable by reason of the Member being on call;
- (h) an allowance payable for being required to be in charge of staff, equipment or premises;
- (i) an allowance payable in lieu of regular overtime or extra duty; and
- (j) an allowance payable as compensation for physical hardship or discomfort associated with the performance of particular duties.

3.4 Other bases of determining “Salary”: Superannuation Guarantee Charge

Where it considers it necessary in order to satisfy the *Superannuation Guarantee (Administration) Act 1992* (as amended, re-enacted or replaced from time to time), the Principal Employer by written notice to the Trustee may specify another basis for determining the Salary of a Member or a class of Members.

4 Basis of determining “Salary” for purposes of division 5

4.1 Definitions

“**Total Average Earnings**” is the level of earnings described as 100% achievement of sales targets which represents a fully competent performer as defined in the Principal Employer’s performance development process.

4.2 Basis of determining “Salary”

(a) Normal basis

Subject to the Deed and this Determination, a Member’s Salary is the annual rate of salary or wage payable to the Member by the Principal Employer or any Associated Employer as at any date, including certain allowances, determined in accordance with this Determination.

(b) Alteration of Salary for benefit purposes

A Member’s Salary for benefit purposes alters as at the date the Salary itself is altered.

(c) Retrospective increases ignored

An increase in remuneration which formally takes effect by reason of a retrospective confirmation, authorisation, approval, decision or determination will not be taken into account in determining Salary until the date it is actually confirmed, authorised, approved, decided or determined.

(d) Alteration of Salary for contribution purposes

A Member’s Salary for contribution purposes is determined quarterly on 1 July, 1 October, 1 January and 1 April in each year as advised by the Employer to the Trustee, and Member contributions will be adjusted with effect from the first day of the pay period which commences on or next follows those quarterly dates.

4.3 Allowances

(a) Types of allowances

For the purposes of determining Salary, allowances are divided into the following categories:

- (1) allowances which are automatically included in Salary;
 - (2) allowances which will be recognised as Salary provided certain criteria are met;
 - (3) shift allowances; and
 - (4) allowances which are not recognised as Salary,
- as explained in this clause 4.3.

- (3) an allowance payable in recognition of length of service and standard of efficiency attained; and

- (4) an allowance payable to a person under the age of 21 years by reason of being married or performing duties normally performed by someone who has attained that age.

(c) **Allowances which must meet certain criteria**

- (1) **Relevant allowances.** Allowances which are payable as a result of performing additional or higher functions as part of duties or work must meet certain criteria to be regarded as Salary. The more common of these allowances are -

- (A) higher duties allowance

- (C) an allowance payable for being required to be in charge of staff, equipment or premises;
- (D) an allowance payable in lieu of regular overtime or extra duty;

- (2) **Relevant criteria.** The criteria for recognition of the allowances in clause 4.3(c)(1) are:

Criterion 1 - the person has received the allowance for a continuous 12 month period of Superannuation Membership prior to the date of calculation of Salary;

OR

Criterion 2 - the person is currently receiving the allowance and is likely to receive the allowance for a total continuous period of 12 months.

The definition of “**likely**” for the purpose of satisfying Criterion 2 is that, in the opinion of an Authorised Delegate, the allowance has a greater than 50% chance of being received for a continuous period of 12 months.

(d) **Shift allowance**

- (1) **Relevant criteria.** The criteria for recognition of shift allowance as Salary are:

Criterion 1 - the person has received the allowance on at least 75% of pay days within a continuous 12 month period of Superannuation Membership prior to the date of calculation of Salary;

OR

Criterion 2 - the person has received the allowance on at least 75% of pay days within a continuous 6 month period of Superannuation Membership prior to the date of calculation of Salary and is likely to receive the allowance on at least 75% of pay days for a further continuous period of 6 months.

(2) **Amount of shift allowance recognised.** The amount of the shift allowance recognised will be that required under the Superannuation Act 1976.

(e) **Allowances which are not recognised as Salary**

Allowances which are not recognised as Salary are those paid to re-imburse actual or nominal costs incurred by a person in the performance of his or her duties. Commissions and similar sales performance payments are also excluded from Salary.

Examples of re-imbursement type allowances include -

- A. travel allowance;
- B. meal allowance;
- C. excess fares/excess travel;

(f) **Continuing of allowances or higher salary**

Continuity of the receipt of allowances or higher salary or wage for the purposes of meeting the criteria for inclusion in Salary is not broken where the allowance or higher salary or wage is payable immediately before and after a period of leave but not payable during the period of leave. However, that period of leave will not count towards the criteria for inclusion in Salary.

(g) **Cessation of allowance or higher salary**

Where an allowance or higher salary or wage has been included as Salary and that allowance or higher salary or wage ceases, the Salary will continue to apply until such time as that Salary is exceeded by another Salary (determined on the normal basis).

- (a) the conditions and criteria specified in this Determination; and

- (f) where the Employee has been seconded to the Associated Employer by the Principal Employer, the approval of the Principal Employer.

4.5 Full salary Equivalent Designations

Where an employment designation has more than one salary or wage range, the nominal salary or wage points (termed "full salary equivalents") for that designation will be regarded as Salary. Full salary equivalent is presently 83% of Total Average Earnings.

4.6 Part-time Employees

In the case of an Employee who with the agreement of the Employer regularly works less than prescribed full-time hours in a pay period, the Special Determination regarding Part-time Employees for division 5 contains special provisions regarding Salary and other matters and overrides this Determination to the extent of conflict.
