- a) 5%; and
- b) the *indexation factor*.

For the purpose of this condition 3.7, any period in which a benefit is or was payable but is calculated to be zero does not amount to an interruption to an entitlement to a *disability* benefit.

3.7.2 Once we stop paying a *disability* benefit for an *insured member* whose benefit has been increased in accordance with condition 3.7.1, any future *disability* benefit payable will be based on their *pre-disability income* at the time of claim subject to the terms and conditions of the *policy*.

4.2. Interim accident disability cover

4.2.1. We will pay an interim accident benefit if the person making the application (the "applicant") becomes *totally disabled* as a result of an *accident* that happens during the *interim accident cover period* provided the applicant's *date of disablement* occurs within 120 days of the happening of the *accident*.

4.3. Amount of benefit

4.3.1. The benefit we will pay under condition 4.2 will be paid as if the applicant were a *member* with *insured cover* determined as follows:

- a) for a person with no existing cover, the lesser of the amount of cover requested in the application received by you and the *maximum accident cover*; or
- b) for an *insured member* applying to increase their existing cover, the lesser of:
 - i) the amount of increase in cover requested in the application received by you; and
 - ii) *maximum accident cover* reduced by the amount payable for the same event under another condition of this *policy* to a minimum of zero,

4.3.2. The benefit we will pay under condition 4.2 is subject to a 2 year *benefit payment period* and:

- a) the *waiting period* being applied for in the application; or
- b) where no *waiting period* is specified in the application and:
 - i) the person has *insured cover* – the *waiting period* applicable to the person's existing cover will apply; or
 - ii) the person does not have *insured cover* – a 90 day *waiting period* will apply.

4.4. Interim accident cover period

4.4.1. *Interim accident cover* will start on the *application date* and will end on the earliest of the following dates:

- a) the date the application is withdrawn;

- b) the date we accept the application on standard or special terms;
- c) the date we reject the application;
- d) the date we cancel the *interim accident cover* pursuant to our legal rights in the event of fraud by the applicant;
- e) 120 days from the *application date*;
- f) the date the applicant reaches the *cover cessation age*;
- g) the date any of the conditions in condition 11 occurs; and
- h) the date of termination of the *policy*.

4.5. Cessation of interim accident benefit

4.5.1. The period in respect of which we will continue to pay an interim accident benefit under condition 4.2 in relation to a person will end when the first of the following events happens:

- a) the person is no longer *totally disabled*;
- b) the interim accident benefit has been paid for 2 years;
- c) the person reaches the *cover cessation age*; or
- d) the person dies.

4.6. Interim accident cover benefit – effect on application for cover

4.6.1. If we pay a benefit in respect of an applicant under this condition 4 the *application for cover* or an increase in cover will be rejected. We will not grant any further cover in respect of the applicant under this *policy*, unless we accept a new application or application to increase cover.

4.7. Interim accident cover benefit – exclusions

4.7.1. We will not pay a benefit under condition 4.2 where the *total disability* is:

- a) caused directly or indirectly by:
 - i) any *war* or act of *war*;
 - ii) the *insured member's* intentional self-inflicted act or attempted suicide; or
 - iii) *pregnancy* unless disability continues for longer than 3 months after the *pregnancy* ends in which case disability will be considered to have started at the date the *pregnancy* ends;
- b) caused by a *sickness* which first became apparent or an *accident* which first occurred prior to the commencement of the *interim accident cover*.

4.7.2. We will also not pay a benefit under condition 4.2 if the payment would cause us to infringe the *Health Insurance Act 1973 (Cth)*, *National Health Act 1953 (Cth)* or *Private Health Insurance Act 2007 (Cth)* or any succeeding legislation in connection with health insurance.

5. CLAIMS

5.1. How to make a claim

5.1.1. You must notify us in writing as soon as reasonably practicable after you become aware of the *disablement* of an *insured member*, preferably within 30 days of the *disablement* beginning.

5.1.2. We will provide you with access to any documentation which must be completed in order to initiate a claim under the policy. Where we require further information from the *insured member* in order to initiate the claim, we may contact the *insured member* directly once we have your consent to do so.

5.1.3. All documentation must be fully completed and returned to us as soon as possible, together with all necessary supporting information, so we can commence assessment of the claim.

5.2. Claim requirements

5.2.1. We will pay *you* a benefit when:

- a) we have proof of the *insured member's* age;
- b) the *insured member* has satisfied *our* claim requirements; and
- c) we are satisfied that all the events have happened entitling *you* to payment of the benefit, in respect of the *insured member*.

5.2.2. We may ask for proof or information to be satisfied that *you* are entitled to a benefit in respect of the *insured member*.

5.2.3. If we reasonably request it, the *insured member* must provide *us* with:

- a) proof of identity;
- b) a completed claim form;
- c) a treating *medical practitioner's* report in a form satisfactory to *us* and any other medical information; and
- d) employment information; and
- e) financial information which may include payslips, tax returns, profit and loss statements, financial statements and details of any payments as shown in *other disability income*.

5.2.4. Any proof or information that the *insured member* provides is at their cost.

5.2.5. We request that the *insured member* returns the completed claim form, report from their treating *medical practitioner*, financial information and any other information we request as soon as reasonably practicable, preferably within 90 days of the *disability* beginning.

5.2.6. We will not refuse to assess a claim but delays in providing information may impact *our* ability to assess *your* claim in respect of the *insured member* and may impact payment of the benefit.

5.2.7. During any period that *you* are claiming a benefit in respect of an *insured member*, we may require ongoing and regular proof that *you* remain entitled to a benefit in respect of the *insured member*, including further medical, employment and financial information.

5.2.8. If we reasonably request it, the *insured member* must fully participate in any:

- a) medical examinations conducted by an appropriately qualified *medical practitioner* appointed by *us*; and
- b) examination or assessment by other professionals at such times as we require (including functional, employability or vocational assessments, psychological assessments, factual interviews or financial audits conducted by an appropriate third party appointed by *us*).

5.2.9. If we appoint a *medical practitioner* or other professional to conduct an examination, assessment or interview, we will pay for it.

5.2.10. If we request it, the *insured member* must complete any authorities including a medical authority, general authority, Centrelink authority or Medicare/Pharmaceutical Benefits Scheme authority to permit *us* to collect, use and disclose the *insured member's* personal information (including sensitive information).

5.2.11. Any information or authority that the *insured member* provides, and information that we obtain, may be used to:

- a) assess and manage the claim;
- b) investigate any information or answers provided by *you* or the *insured member* when applying for insurance or changes in insurance to confirm whether there has been a failure to comply with the duty of disclosure or duty to take care not to make a misrepresentation or any misrepresentations have been made; and

- c) manage any complaint raised by an *insured member*, or by *you* on behalf of an *insured member*, in relation to their claim.
- 5.2.12. A benefit will only be paid if cover for the *insured member* is in force when the *insured member* becomes *disabled*.
- 5.2.13. If *we* do not accept a claim *we* will provide *our* reasons to *you*.
- 5.2.14. All forms, documents and reports submitted to *us* by or on behalf of the *insured member* in support of a claim must be written in English, or if the documents originate from outside Australia and are not in English, be accompanied by a translation certified in Australia.
- 5.2.15. If a person or an *insured member* makes a claim while they are outside Australia *we* may require the person or *insured member* to return to Australia, at no expense to *us*, before *we* assess *our* liability for the claim.

5.3. Claims assessment information

- 5.3.1. *We* will provide *you* with a copy of any part of the claims assessment information that *you* ask *us* to provide, as soon as reasonably possible, unless *we* have a legal obligation to not disclose that information.
- 5.3.2. The claims assessment information *we* provide to *you* must at all times remain confidential to *you* and any representative or service provider *you* appoint to assist with the assessment of claims unless *we* agree with *you* in writing otherwise or *you* have a legal obligation including under legislation to disclose that information.
- 5.3.3. Once *we* have assessed a claim made by a person who became a *member*:
- a) prior to the *commencement date* for which the *date of disablement* occurred on or after the *commencement date*; or
 - b) on or after the *commencement date*,
- if *we* admit it, *we* will:
- c) pay to *you* for *you* to credit to an account of the person in the *fund* after deduction of any relevant taxes:
 - i) where a *total disability benefit* is payable – 12% of the *pre-disability income* of the person; and
 - ii) where a *partial disability benefit* is payable – 12% of the *partial disability benefit*, and
 - d) pay the rest of the benefit to *you* or as *you* may direct in writing.
- If *we* do so, *we* are not responsible for how the benefit is applied.
- 5.3.4. Once *we* have assessed a claim made by a person who became a *member* prior to the *commencement date* for which the *date of disablement* occurred prior to the *commencement date*, if *we* admit it, *we* will pay the benefit to *you* or as *you* may direct in writing. If *we* do so, *we* are not responsible for how the benefit is applied.
- 5.3.5. Where *we* have paid *you* a benefit, *you* are responsible for calculating, deducting and remitting any tax payable on the benefit paid unless *you* and *we* agree otherwise.

6. PREMIUM

6.1. Time to pay premium

- 6.1.1. *You* must pay premiums on or before each *premium due date*. If for any reason premium is payable for less than a whole month, the premium payable shall be calculated on a pro rata basis by reference to the number of days that cover has been in force during the month.

6.1.2. We will advise *you* each year the date the payment of the adjustment premium is due.

6.2. Premium payable

6.2.1. The amount of premium payable is the total cost of cover for all *insured members* under this *policy* during the period in respect of which premium is calculated according to the *premium rates* for that period, which are exclusive of all government levies, stamp duty and other duties, taxes and charges.

6.2.2. At each *annual review date* and on termination of the *policy*, we will recalculate the premium to reflect changes in *insured members* and the benefit amounts over the period since the *policy* began, or since the last *annual review date*, whichever is the later.

6.2.3. If, as a result of the recalculation of the premium under condition 6.2.2, *you* have paid too much, we will pay *you* the over-payment or use it to offset the next premium due as requested by *you*.

6.2.4. If, as a result of the recalculation of the premium under condition 6.2.2, *you* have not paid enough, we will notify *you* (in writing) of the additional premium (called the adjustment premium) *you* owe.

6.2.5. At each *annual review date* of the *policy* *you* must give *us* the information we need to adjust *your* premium and to recalculate *your* annual premium. We will advise *you* what information we need and when we need it.

6.2.6. We may otherwise agree that *you* will calculate the premium, in which case we will confirm the terms of this arrangement in writing.

6.2.7. The premium for any *insured member* must always be included and remitted as part of *policy* premium described in condition 6.2.1.

6.2.8. The premium in respect of any *insured member* must be continued during any period employed overseas or any period of absence including, but not limited to, any period where cover continues during leave without pay where that cover is provided under the terms of this *policy*.

6.3. Overdue premium

6.3.1. Subject to 8.2.2, if the premium or adjustment premium payable under condition 6.2.1 is not paid to *us* within 30 days after the *premium due date*, we may give *you* a written notice and if the premium due is not paid within the time period stipulated in the written notice (being at least 30 days after the notice is given), the *policy* may be terminated by *us*.

6.4. Misstatement of age

6.4.1. If an *insured member* has wrongly stated their age, we will adjust the *insured cover*, and any benefit payable, in respect of the *insured member* based on the amount of premium already paid and what that premium would have purchased if it had been calculated using the correct age.

6.5. Waiver of premium

6.5.1. Premiums will be waived from the end of the *waiting period* for an *insured member* whilst a *disability* benefit under this *policy* for that *insured member* is paid or payable.

7. VARIATION OF POLICY

7.1. Variation by agreement

7.1.1. This *policy* may be varied by written agreement between *you* and *us* at any time. For the avoidance of doubt, this includes an agreement to reduce *premium rates* during the *guarantee period*.

7.2. Variation by us

7.2.1. Subject to condition 7.2.3, we may not during the *guarantee period* increase the rates of premium that apply under this *policy* or change the terms of this *policy* without *your* written agreement.

7.2.2. We may reduce the *premium rates* at any time by giving *you* written notice specifying the effective date of the change.

7.2.3. Subject to condition 7.4.1, we may at any time, including during the *guarantee period*, vary the *policy* terms and conditions including the *premium rates*, for all *insured members* or for one or more categories of *insured members*, where:

a) there is a formal declaration of *war* by the Australian government,

by giving *you* prior notice of *our* intention to vary the *premium rates* as soon as is reasonably practicable, but in any event at least 90 days prior notice in writing of the change; or

b) if:

i) the *guarantee period* has expired; or

ii) there has been a decrease of 15% or more, or an increase of 25% or more, in the number of *members* insured by *us* under policies G3633-GSC and G3635-GSCDB since the start of the *guarantee period*; or

iii) there has been a change in the nature of the *fund's* membership such as a merger or an amalgamation with another superannuation fund as a result of which the number of *members* insured by *us* under policies G3633-GSC and G3635-GSCDB has changed by more than 10%; or

iv) there are legislative or regulatory changes that would impact the degree of risk of the insurance arrangements of the *fund* or the insurance offered under this *policy* or the terms and conditions would otherwise become inconsistent with the law, provided that *we* must vary the *policy* in a way which is consistent with the changes; or

v) without limiting condition iv), there is a change in federal, state or territory taxes or duties that changes *our* costs under the *policy*, provided that *we* must vary the *policy* in a way which is consistent with the changes,

by giving *you* at least 90 days prior notice in writing of the change.

7.3. Data integrity & other information

7.3.1. Subject to condition 7.4.1, we may acting reasonably at any time, including during the *guarantee period*, review and amend (including retrospective, if applicable) *policy* terms and conditions including the *premium rates*, for all *insured members* or for one or more categories of *insured members*, where:

a) data and/or information of any kind provided to *us* by *you* or by *your* advisers on behalf of *you*, is inaccurate and/or incomplete and in *our* appointed actuary's opinion, having considered the information and representations made by *you* or by *your* advisers, necessitates a change in the *policy* terms and conditions including the *premium rates*. For clarity, this includes data and/or information provided prior to the commencement of the *policy*; or

b) *we* are prevented from adhering to the *policy* terms and conditions or are required to change them under or by legislation, regulation, or any regulatory body with supervisory/licensing authority over *us*.

7.4. Variation limit

7.4.1. Unless *you* and *we* agree otherwise, where *we* vary premiums or *policy* terms under conditions 7.2.3 and 7.3.1, the variation will be limited to the impact of the relevant condition(s) and will not include adjustment for other factors.

8. ADMINISTRATION AND INTERPRETATION

8.1. This policy

8.1.1. This *policy*:

- a) is issued from *our* No. 1 statutory fund;
- b) does not participate in *our* profits; and
- c) does not acquire a surrender value.

8.2. Termination of this policy

8.2.1. *You* can terminate this *policy* by giving *us* three months' written notice, or *we* can agree in writing on an earlier termination date with *you*.

8.2.2. *We* can end this *policy* by giving *you* one month's written notice, as soon as any of the following happens:

- a) the situation described in condition 6.3 arises;
- b) to the extent permitted by law, *we* become satisfied that *you* have purposefully withheld information directly relevant or made fraudulently untrue statements to *us* in relation to this *policy*.

8.2.3. This *policy* will also terminate on the date cover under the *policy* has ended for all *insured members*.

8.3. Notices

8.3.1. Notices, medical evidence or other communications must be in writing and in English or in otherwise agreed formats as approved by *us* and *you*.

8.3.2. *We* will send notices to *you* at the address *you* last gave to *us*.

8.3.3. *You* will send notices to *us* at the address *we* last gave to *you*.

8.3.4. *You* must notify *us* no later than 60 days after each *annual review date* of any terminations of *insured cover* since:

- a) the *commencement date*; or
- b) the previous *annual review date*,

whichever is the later.

8.3.5. *You* must supply this information in conjunction with the other information *we* require to calculate *your* premium as set out in condition 6.2.

8.4. Payments

8.4.1. All payments made in connection with this *policy*, whether to *us* or by *us*, must be made in Australia and in Australian currency.

8.5. Records

8.5.1. *You* must keep accurate records necessary for the effective operation of this *policy*. These records must be maintained in a format that is agreed by *you* and *us*. *We* agree with *you* that *we* do not require any different type or format of record than *you* keep at the *commencement date* but *we* may review this with *you* if the type or format becomes unsuitable to either *you* or *us*.

8.6. Audit

8.6.1. We may conduct an audit from time to time of any records *you* (or any person on *your* behalf) have which are connected with this *policy*. We will give *you* reasonable notice if we propose to conduct an audit. We will only conduct an audit in normal office hours.

8.7. Waiver

8.7.1. *Your* or *our* failure or delay to exercise a power or right *you* or *we* have under or in connection with this *policy* does not operate as a waiver of that power or right.

8.7.2. A waiver of *your* or *our* power or right is not effective unless *you* or *we* waive that power or right in writing.

8.7.3. Waiver of a power or right by *you* or *us* is limited to the specific matter in respect of which *you* or *we* grant it and applies only to the extent and for the period notified in writing by *you* or *us*. It does not preclude either the exercise of that power or right in the future or the exercise of any other power or right.

8.8. Non assignment of policy

8.8.1. *You* may not assign this *policy* without *our* written agreement except in the event of a merger or successor fund transfer within the meaning of the applicable law, in which case *you* may assign this *policy* to the entity with which *you* merge or to which *members'* benefits are transferred pursuant to the successor fund transfer.

8.8.2. We may not assign this policy without *your* written agreement.

8.9. Privacy statement

8.9.1. Both *we* and *you* agree to comply with the *privacy laws* in respect of any personal information collected in relation to this policy about *us*, *you*, an *insured member*, a *member*, a person, the *fund*, an *employer* or any potential beneficiaries.

8.10. Cooling off period

8.10.1. A 60 day cooling off period applies when *default cover* commences under condition 13 or condition 18, or when cover recommences under condition 11.2.2.

8.10.2. During the cooling off period *default cover* may be cancelled and premiums refunded provided that *you* receive notification of the cancellation within the 60 day period.

8.10.3. The cooling off period commences on the *insured member's* receipt of the notification of the commencement of cover or at the end of the fifth business day after *you* have issued the notification of commencement cover, whichever occurs first.

8.10.4. If *you* receive the notification of cancellation of cover within the cooling off period, we will cancel the cover under the policy in accordance with the notification.

8.10.5. The cooling off period terminates immediately if *you*, the *principal employer* or an *associated employer* (as applicable) or the *insured member* acts in a manner confirming an interest or rights under the policy.

8.11. Interpretation

8.11.1. The headings in this *policy* are a guide only. They are not intended to be used to interpret the *policy* conditions.

8.11.2. If the context allows, plurals can be read as the singular and the singular read as plurals.

8.11.3. This *policy* is subject to and governed by the laws of New South Wales.

8.11.4. In this *policy*, a month refers to a *calendar month* unless otherwise agreed by *you* and *us*.

8.11.5. In this *policy*, unless otherwise stated, a person's age refers to their age next birthday as at the last *annual review date*.

9. SPECIAL CONDITIONS

9.1. Cover while on paid and unpaid leave

9.1.1. Cover will continue in respect of an *insured member* while they are on paid leave subject to all the *policy* conditions which apply to them.

9.1.2. Cover will continue for a period of up to 2 years from the commencement of unpaid leave for *insured members* who are on unpaid leave subject to all the *policy* conditions which apply to them.

9.2 Worldwide cover

9.2.1 Subject to abiding by all the *policy* conditions which apply to them cover shall be provided 24 hours a day for all *insured members* who are *Australian residents* while in Australia or overseas.

10 VARIATION TO COVER

10.1 Forward underwriting limits

10.1.1 If cover comes into effect as a result of *our* underwriting decision under conditions 16.2.2 or 22.2.2 and the terms of *our* acceptance include a *forward underwriting limit*, the accepted cover may increase up to the *forward underwriting limit* without further underwriting as a consequence of an *income* increase.

10.2 Changes to occupation grouping

10.2.1 An *insured member* can in the manner prescribed by *us* apply to change their *occupation grouping*. If accepted by *us*, the *occupation grouping* applied for by the *insured member* will commence from the date of acceptance.

10.3 Insurance transfer terms cover

10.3.1 Cover for a *member* provided under *insurance transfer terms* comes into effect on:

- (a) the date *we* accept the application to transfer cover pursuant to *insurance transfer terms* in respect of the *member*; and
- (b) subject to cancellation of the *member's* existing cover under the *previous policy*.

10.3.2 The type and amount of cover that comes into effect for a *member* under *insurance transfer terms*:

- (a) is provided as *voluntary cover*, and replaces any existing cover in respect of the *member* under this *policy*; and
- (b) will, subject to conditions 10.3.6 and 10.3.7, have a *benefit payment period* and *waiting period* (if available under this *policy*) that is the same as the benefit payment period and waiting period that was provided under the *previous policy*; and
- (c) will be, subject to condition 10.3.3, of an amount no less than, but closest to, the amount of cover under the *previous policy*.

If however, after reviewing the *member's* declared annual salary at the time of the application to transfer cover, it is identified that the amount being transferred is greater than 87% of the *member's income*, *you* or *we* may confirm with the *member* that they wish to continue with their application to transfer cover.

10.3.3 The maximum amount of cover that can apply as a result of an application for *insurance transfer terms* by a *member* or *insured member* is \$15,000 per month.

10.3.4 Where a *member* is subject to *insurance transfer terms*, then any exclusion(s), loadings or special condition(s) which:

- (a) applied to the *member* under the *previous policy*; and
- (b) we apply as a condition of *our* acceptance,

will continue to apply to the *member's* cover when it comes into effect under this *policy*.

10.3.5 For the avoidance of doubt, the *automatic acceptance limit* will not apply to a *member* who is provided with cover under *insurance transfer terms*.

10.3.6 If the waiting period that was provided under the *previous policy* is not available under this *policy*, the *waiting period* that will apply will be the next longest *waiting period* available under this *policy* (for example, a 45 day waiting period will be transferred to a 60 day *waiting period* under this *policy*). If the benefit payment period that was provided under the *previous policy* is not available under this *policy*, the *benefit payment period* that will apply will be the next shortest *benefit payment period* available under this *policy* (for example, a To Age 65 benefit payment period will be transferred to a 5 year *benefit payment period* under this *policy*).

10.3.7 A member who is working in an occupation which would result in a "Heavy Blue Collar" *occupation grouping* being assigned to that *insured member's* cover is only eligible to receive a 90 day or 120 day *waiting period* and a 2 year *benefit payment period*. They cannot be provided with a 5 year *benefit payment period*, or a 30 day or 60 day *waiting period*.

11 END OF COVER

11.1 End of cover

11.1.1 Cover for an *insured member* will end on the earliest of:

- a) the death of the *insured member*;
- b) the date the balance of the *insured member's* account in the relevant *division* is insufficient to pay for the premium unless *we* and *you* agree otherwise;
- c) the *insured member* reaching the *cover cessation age*;
- d) the date the *policy* terminates subject to condition 11.3;
- e) where notification to cancel cover is given by the person, the later of:
 - i) the date on which *you* or *we* receive the notification in written form, or any other form as agreed by *you* and *us*; and
 - ii) where applicable, the date nominated by the person in the notification referred to in paragraph i) as the date that they want their cover to cease;
- f) the date the person ceases to be an *Australian resident*;
- g) the date that the *insured member* ceases to be employed on *permanent basis*, subject to condition 13.4.2;
- h) the date after the *insured member* has been on unpaid leave for 2 years;
- i) the date the *insured member* ceases to be a *member of the fund*;
- j) unless the *insured member* has made an *election* or an *exception* applies, the date their account is *inactive*;
- k) if an *exception* ceases to apply to the person and the person has not made an *election* then if:
 - i) the person's account is *inactive*; or
 - ii) the person is under 25 years of age; or

iii) has not had an *account balance* with the *fund* of at least \$6,000 since 1 November 2019,

the date the *exception* ceases to apply; and

l) on 1 April 2020 if the *insured member's account balance* has not reached \$6,000 since 1 November 2019, unless the *insured member* has made an *election* or an *exception* applies.

11.1.2 For the avoidance of doubt, a person's entitlement to claim under this *policy* and their entitlement to receive ongoing benefits in respect of any *insured cover* is not affected by that person's entitlement to claim, or receipt of, a total and permanent disablement benefit pursuant to any other insurance policy.

11.2 **Resumption of cover that has ended under condition 11.1.1j) or 11.1.1k)**

11.2.1 If an *insured member's* cover ended under condition 11.1.1j) or 11.1.1k) cover will recommence for that *member* without the need for underwriting subject to all of the following conditions:

- a) the *member* must request that the cover be recommenced in a manner agreed between *you* and *us*;
- b) in the request, the *member* must make an *election*,
- c) *you* must receive the request within 60 days of the date on which cover ended under condition 11.1.1j) or 11.1.1k).
- d) the cover will recommence from the date the request to recommence the cover was received by *you*, subject to backdated payment of premiums from the date cover recommences.
- e) where the *member* suffers *disability* and the *date of disablement* is after cover ceased but before they requested that cover be recommenced, the *member* will not be able to claim for that event.
- f) where a *member* requests cover be recommenced, this will be considered as an *election*.
- g) any cover that recommences under this condition 11.2.1 will be subject to any previous loadings, exclusions or special conditions that applied to the *insured member's* cover prior to ceasing.
