Important information

If you cancel your cover:

- you will not be able to make a claim for insurance benefits for events or conditions that arise after your cover has cancelled
- we will no longer deduct insurance premiums for the cover you have cancelled
- your ability to restart your cover may be subject to health assessment and acceptance by the Insurer, and you may not be able to get cover
- if you are replacing your cover with alternative cover, you should not cancel until the replacement cover is in place.

Before you cancel your insurance you may wish to discuss your decision with a financial adviser from TelstraSuper Financial Planning on **1300 033 166**.

If you reduce your cover:

By completing this form, you have taken the active step of reducing your insurance cover and therefore you're **deemed to be electing to keep all of your insurance cover** now, and in the future. This includes if you transfer to a different TelstraSuper product.

This will ensure that you won't lose your insurance cover as a result of legislation covering low account balance (less than \$6,000), inactivity (your account does not receive a contribution for 16 months) or if you're under 25 years of age.

To make an election to maintain insurance only in particular circumstances and not all of the circumstances specified above or if you want to make any changes to your insurance arrangements contact us on **1300 033 166**.
