By notifying us that you've met a condition of release:

- your benefits will be reclassified as unrestricted non-preserved benefits in your accumulation account(s)
- your Transition to Retirement (TTR) income stream(s) (if applicable) will change to a Retirement income stream, and as a result:
 - investment earnings will be tax-free
 - you'll be subject to a transfer balance cap, which is the total amount you can transfer to a tax-free income stream. Every individual will have their own personal transfer balance cap and will depend on your circumstances. This cap amount includes your Retirement income stream with TelstraSuper in addition to any amounts you may have in tax-free income streams with other super funds. If you exceed the cap, the Australian Taxation Office (ATO) will issue you an Excess Transfer Balance determination requesting you to transfer the excess amount from your Retirement income stream. For more information refer to the ATO website at www.ato.gov.au
 - if you've been receiving the maximum income payment, this will convert to a fixed dollar amount
 - minimum withdrawal amounts will continue to apply
 - you may be eligible to receive the Retirement Bonus. For more information about eligibility, limits and repayment rules visit telstrasuper.com.au/bonus
 - your investments in the Growth, Balanced, Moderate, or Conservative options, will be transferred to the equivalent Lifestyle investment option. For more information visit telstrasuper.com.au/lifestyleoptions
