

Elect to keep your insurance cover

Complete this form to elect to keep the insurance cover you have now and in the future.

Before you start

By making this election you're **deemed to be electing to keep all of your insurance cover** now, and in the future. This includes if you transfer to a different TelstraSuper product.

This will ensure that you won't lose your insurance cover as a result of legislation covering low account balance (less than \$6,000), inactivity (your account does not receive a contribution for 16 months) or if you're under 25 years of age.

To make an election to maintain insurance only in particular circumstances and not all of the circumstances specified above or if you want to make any changes to your insurance arrangements contact us on **1300 033 166**.
